Tennessee District Convention Rules of Order 2025

PARLIAMENTARY AUTHORITY- The rules contained in the current edition of *Robert's Rules of Order Newly Revised* shall govern this corporation in all case to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order or standing rules adopted for the meetings of the district convention, district board, district committees, or district churches by those respective bodies for their own meetings. Unless specified otherwise, the Standing Rules of Order and/or other criteria used for district convention shall govern all business meetings of this corporation.

CONVENTION STANDING RULES OF ORDER

1. District Convention (Business Meetings) shall be subject to parliamentary law (*Robert's Rules of Order*) in all instances in which parliamentary law does not conflict with the Constitution and Bylaws of the Tennessee District of the Pentecostal Church of God.
2. All elections of the District Convention (Business Meeting) shall be by closed ballot.
3. All resolutions shall be accompanied by a motion made and seconded by members of the voting constituency.
4. Only one (1) question shall be before the District Convention (Business Meeting) at any time.
5. There shall be no discussion of a resolution until a motion is made, seconded and stated by the chair.
6. Only by a two-thirds (2/3) majority vote may a resolution be withdrawn after it has been discussed.
7. No resolution may be discussed for more than thirty (30) minutes before a vote is taken.
8. All resolutions presented to the District Convention (Business Meeting) must first be processed by the Resolution Committee.
9. Any individual who desires to comment upon any subject shall rise to his feet, address the chair, confine his remarks to the questions under discussion, and avoid all unkind or disrespectful language.
10. Any speaker who does not conform to the rules of order is to be called to order by the chair. After being called to order, the speaker will conform to the regulations of the District Convention (Business Meeting) or take his seat.
11. Each speaker shall have the privilege of the floor three (3) times on any one subject. He may speak for five (5) minutes the first time, three (3) minutes the second time, and two (2) minutes the third time. A timekeeper shall be appointed by the chair.
12. When a member has the floor or is rising to speak, calls for the question cannot deprive him of his right to comment. No one may call for the question when a member has the floor.
13. No more than three (3) members who hold the same opinion about a motion may speak consecutively. If after three such members have spoken, there is no dissenting speaker, question must be called.
14. The author of a resolution is asked to speak first.
15. Anyone wishing to speak about a resolution must state whether he is for or against.
16. All officers shall be elected by a two-thirds (2/3) vote. These elections shall be conducted using a secret ballot. The first three ballots shall be nominating ballots. After three ballots have been cast with no election, only the two (2) highest names shall remain on the ballot to be voted upon in future balloting. Any votes for anyone other than the two highest nominees shall not be counted in the total votes cast. After the fourth (4th) ballot, if one of the two remaining nominees withdraws, or an office has only a single nominee, a yes/ no vote shall be taken on the lone remaining nominee. A two-thirds (2/3) vote is still required in such a situation for election. Not more than ten (10) ballots, including nominating ballots, shall be cast upon any group of nominees. In the event that no election has been reached after the tenth ballot, the nominations shall be reopened and new ballots shall be cast. No office shall be filled by acclamation. As it relates to Directors and Officers of the District, after nine (9) ballots, if no election has been reached, then on the tenth (10) ballot, a simple majority shall determine an election. As it relates to Officers of the District Board, after nineteen (19) ballots, if no election has been reached, then on the twentieth (20) ballot, a simple majority shall determine an election. As it relates to the District Bishop, after twenty-nine (29) ballots, if no election has been reached, then on the thirtieth (30) ballot, a simple majority shall determine an election. Any election failing to obtain the required number of votes shall be determined by the District Board.
17. Under no circumstances shall personal or slurring remarks or accusations be permitted on the floor of any District Convention (Business Meeting).

REPORT OF THE

District Bishop

Rev. Rick Walsh

To the Tennessee District Convention Chairman, Rev. James Rayburn; District Secretary, Rev. Scott Long; District Presbyterian Rev. Dewey Garrett; Regional Presbyterian, Rev. Brian Gelande; Sectional Presbyters, Officers, Sectional representatives, delegates, and all in attendance at the 2025 Tennessee District Convention:

Greetings in the name of our Lord and Savior Jesus Christ!

It's that time of year again—when we come together to reflect on all that has unfolded over the past twelve months. And yes, we know the reports are everyone's favorite part of the convention!

But in all seriousness, these moments of review—though they may seem routine—are powerful reminders that God is actively moving in the Tennessee District. Each report tells a story of faithfulness, dedication and transformation. Let's celebrate what He has done, and look forward with anticipation to what He's yet to do! We know that with our Lord there is always MORE!!

Speaking of more, the Lord planted that word in my spirit early this year. Just that one simple word....'more'. I didn't really understand it but if I have learned anything over the years it's that the Lord doesn't plant seeds that he won't grow. As I was reading Jeremiah 18:6, that simple word transformed into the theme for this year's convention: Made for More. Sometimes we can get so focused on what we don't have that we fail to see that we have a God that is more than able to do exceedingly abundantly more than we can ask and think. He loves us dearly and no matter where we are at in our walk there are always higher heights and deeper depths to be had. I believe we can be more because as the TN PCG we are united with One Spirit and One Body with One Purpose. We are made for more!

This past year was full of travel. We have been able to visit many of our churches and some are still on our list to get to. I love having the freedom to just drop by for a visit and experience the ways that God is moving all across this district. While our services are all

very different from each other, it is the same spirit of God in each one and I am always blessed to see what he is doing in the local church. We have some of the best pastors in existence – pastors full of faith, compassion, vision and dedication. I pray that the year to come is a year of exponential growth in our local churches as well as in the district. God wants to do more and I believe we are well positioned to rise to the occasion.

In addition to the travel to our local churches, I was also able to attend our district youth camp, help cook for our annual ladies’ retreat, attend our men’s retreat, attend the general convention in Glendale, AZ and chair all of our district board meetings. I thank God for giving me the strength and ability to do what is necessary to serve the Tennessee District.

This year, I introduced a new initiative entitled The Bishop’s Corner, a video series designed to enhance communication and foster unity throughout our district. This program gives us one more avenue to stay engaged with one another, especially during seasons when in-person gatherings may be limited or infrequent. As part of my ongoing effort to keeping us connected across the district, The Bishop’s Corner is a way we can hear directly from our local pastors and leaders. My hope is that it offers valuable insights, testimonies, and encouragement to all who watch.

If you do not already, I encourage you to follow the Tennessee District PCG Facebook page, where these video episodes are being published. By following our Facebook page, you will be able to access not only The Bishop’s Corner but also other important updates, messages, and district-wide announcements.

It has been my honor to serve as the Tennessee District Bishop this past year. I hope and pray that I have served you well. To the men of the Tennessee District Board, thank you for all you do in support of this district. I consider myself incredibly blessed to be able to serve alongside such wonderful men of integrity. To every pastor, credentialed minister, ministry leader and brother or sister in the Tennessee District, thank you for all you do to serve this district. To my wife, I love having you by my side – whether it is traveling the roads, flying the skies or good old-fashioned hoofing it, I am grateful that I get to do it with you. I treasure every moment.

Humbly submitted,

Rick Walsh

REPORT OF THE District Secretary

Rev. Scott Long

To Tennessee District Convention 2025

Chairman- MC President Dr. James Rayburn; Bishop Richard Walsh; Presbyter Darrell Garrett; Regional Presbyter Brian Gelande; Sectional Presbyters- Joe Page, Terry Kesley; Youth Director James Walsh; Women's Director Audra Walsh; Men's Director Tim Shiverdeck; Editor Charlseay Long; Dignitaries- Assistant Bishop Jerry Moore; Fellow Ministers, Spouses, Delegates, and Friends:

Greetings in the name of our Lord, and Savior Jesus Christ; and welcome to TN District Convention!

Personal Thoughts

Ecclesiastes chapter 3 tells us. "To everything there is a season, and a time to every purpose under the heaven." I have always found wisdom in attempting to assess the season that I find myself in. Sometimes I am successful, and sometimes I fail miserably. Nothing can cause such an uncomfortable feeling as someone who fails to read the room. I feel like I can be extremely laid back at times. Maybe others would disagree. Yet, I can enjoy a good book, listen to some good music, watch an entertaining movie, shoot the latest firearm, attend a worldclass fight, even cheer loudly at a live ballgame. However, as it relates to the church, I believe we are to assemble ourselves together for the express purpose of giving our full attention to the glory of our Lord and Savior Jesus Christ. Perhaps that makes me "Old Fashion," but I have always felt that way. Even when my life was committed to everything but Christ, I still felt that way.

Today, there are things being promoted in some churches, I feel have no business in church. Some things are being promoted in churches that have no business in the life of a believer outside of church either. Pastor, you are being too legalistic! This statement or another "judge not" rebuttal usually follows the implication of disapproval. Regardless of opinions, the idea of "what we win them with, is what we win them to" seems relevant. If a watered-down Jesus is what it takes to get them, is it not a watered-down Jesus it will take to keep them? How does a non-offensive Jesus bring change in the life of a sinner when he is never even challenged that he needs a change? I still believe we need to be offended! I was raised around ministers who told me, "Boy, you need to get your act together." I was not fine as I was. I was lost and eternally separated from a God who is Holy. The cross is an offense that reminded me that Jesus hung there for a reason and that reason included me.

The world is changing but the Bible is not. "Preach the Word" is what the Apostle Paul said. It is the Word that changes. It is the Word that heals. It is the Word that saves. We can fill up a building or even a stadium with people, but we have not added to the church until somebody gets saved. What is scarier than a man who is lost, the answer, a man who is lost but thinks he is not because of a minister who is more interested in being relevant than being offensive.

Preachers of the Tennessee District, you have the call of God upon your lives for His glorious purpose. His call is not about your ambition, your abilities, or even your talents. It is about His glory. You have been called as watchmen to sound the alarm to a world that needs to be offended. So, as Joel said, "cry loud and spare not, lift up your voice like a trumpet and declare to the people their transgressions!"

I apologize in advance as I know these pages makes my report longer, but the following excerpts are from General Secretary Lineberry's personal report at General Assembly, and I found them most interesting and very relatable for the Tennessee District.

General Secretary Statistical Report of the Pentecostal Church of God

ANNUAL LOCAL CHURCH REPORT

*The intent of the ALCR is to provide statistical information regarding the Pentecostal Church of God. The statistical reports below reflect survey data sent in from local churches. Due to many churches not filling out the ALCR, totals are estimated according to ratios and the additional information available to us through our Results program at the IMC. This is not hard data or clean data. We will continue to work to improve this in future years. The following statistics are from 2024 and reflect **reporting from 162 of 941 churches.***

*Constituency: After multiplying the average number of constituents per church from the ALCRs by the total number of churches, the **Pentecostal Church of God reflects a constituency of approximately 75,000.***

The average church has 78 in weekly attendance.

*Of the 162 churches reporting, **78% of the churches report experiencing one or more salvations.***

*Total Churches: **9 new churches opened** during the 2023-May of 2025 period.*

*As of May 2025, **the Pentecostal Church of God shows 942 churches** on the active church list.*

MINISTERS STATISTICS:

*The Pentecostal Church of God added **64 reinstated ministers**, and **264 new ministers** during 2023-2024, for a **total of 328 ministers**. During the same period, 133 ministers withdrew, 121 ministers got dropped, and 62 ministers passed away, totaling 316. This is an **increase of 12 credentialed ministers** As of May 2025, the **Pentecostal Church of God has 2192 active ministers** (590 Women/1602 men).*

*Forerunner Report: The Forerunner Experience is a 12-week opportunity for young adults (ages 17-30) to begin their journey into ministry. It is available to participants in the Spring and Fall of the year. Since the Forerunner Experience began, 262 participants have completed the program. As of May 2025, **47 Forerunner students are currently credentialed ministers** with the PCG—20 since the last General Assembly*

ACTIVE MINISTERS BY AGE (AS OF MAY 2025):

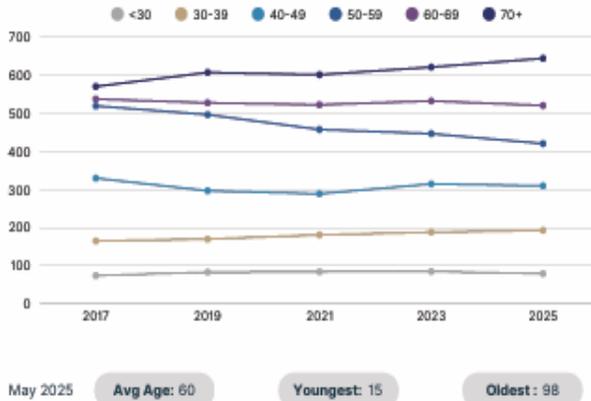

Age	Average Age	Number of Ministers
30 and under	25	79
30-39	35	193
40-49	45	310
50-59	55	421
60-69	64.5	521
70 and up	78	645

*The **average age of active ministers is 60 years.** The **youngest minister is 15 years old**, and the **most senior minister is 98 years old.** We have **39 ministers in their 90s.***

My prayer for the Tennessee District is that we do our part to help write the story for a 21st century Pentecostal Church of God. I believe that God is still calling the next generation into the ministry. Let's do our part. Let's find a Timothy that we can pass the torch to, so that we can be a Paul that says, when the time comes, I am now ready to be offered up...

PCG Ministers Report

— Total Ministers by Age —

2021-2025 Statistical Report:

- 20 new churches added; at least 17 churches planted within the last 6 years
- 654 ministers were added or reinstated, resulting in a net increase of 65 credentialed ministers
- At least 81 new ministers under age 30 have been added since 2020

PCG Ministers Report

— Ministers Added Each Biennium —

Data of Note:

- While the 70+ age group is growing, the 50-59 and 60-69 age groups are decreasing.
- The 30-39 and 40-49 age groups are growing steadily, offsetting any decrease occurring in the older age groups.
- The <30 age group has remained about the same. While we hope for growth in the long-term, that it has not dipped despite ministers in their 20s aging out of the group is actually a positive sign.
- Beginning in 2020, we have seen a positive turn, where the number of ministers added has offset and surpassed the number of ministers lost.

Overview

As I write this report, the Tennessee District has **28 ministers and 11 churches**. To be specific, we have **14 Ordained ministers, 3 Licensed ministers, 5 Exhorter ministers, and 6 Certified ministers**. We unfortunately lost 1 Ordained minister this year, who withdrew and transferred to a sister organization. We had to drop 2 Certified ministers from our rolls, but we were also blessed to add **2 brand new Certified ministers** to our rolls as well. We are excited to welcome Rev. Dana Capps and Rev. Don Moss to the ministerial membership of the Tennessee District. I am sure that they are ready to go if given the opportunity. And speaking of opportunities, **we have an open pulpit waiting for a pastor to fill it**. Pastors George and Emma VanLuven have stepped down to pursue God's next call. We thank them for their dedication to ministry, and we thank you for your prayerful consideration to help fill that aforementioned open pulpit in Gleason, TN.

Finances

The Tennessee District finances are, and continue to operate, in a very strong condition. As of end of fiscal year we have a **Total Net Worth of \$480,458.57**. This year we have continued to steward the finances by paying salaries in direct correlation to monthly income. And while the bylaws may say that some officers are entitled to more, we have all made this a personal decision to ensure that all officers have a salary to receive, and that all expenditures will be satisfied, without any losses. **This year every fund (General, Home, Men, Women, Youth) showed a profit**. Our tithe giving went down by \$100 but **our first fruits giving increased by \$10,000**. This could not have happened at a better time. With the resignation of General Bishop Ming, Bishop Walsh and I thought it important to make sure Tennessee was represented well in the election of our new leader. The first fruits enabled us to make the trip to Phoenix, and yet still maintain a general fund profit. **The first fruits giving not only helped our District Office, but it also allowed us to help support our Men, Women, and Youth Departments, in addition to our General Headquarters**. Be faithful in your ministerial tithe, be faithful in your church's first fruits, and I believe God will always honor your faithfulness.

Final Thoughts

I consider it a great honor that you have given me the trust to serve as your District Secretary. I truly give all praise, all glory, and all honor to Jesus Christ, for without His strength I know that I am nothing. To Bishop Rick & Audra Walsh and all of our District Board Members; past and present; it gives me great joy to serve with you. To all my buddies and friends that I have made over the last 39 years as a member and minister of this district, I am now a Grandfather. I have some wrinkles, white hair, and eyeglasses, and yet, somehow, I am still younger than most of you...and yes, that knowledge does make me smile. Miracle Temple, thank you for letting me pastor a church that I love. My babies Hope, Faith, and Charity, Daddy will always be here for you, and I will always love you. Charley Lee, my Godsend and my dear darling wife, we are getting closer and closer to that empty nest. I really don't know if I am ready or even what I am going to do, but I know for sure that there is absolutely nobody that I would rather try to figure it out with. I love you forever and always.

In all things may I please my Heavenly Father.

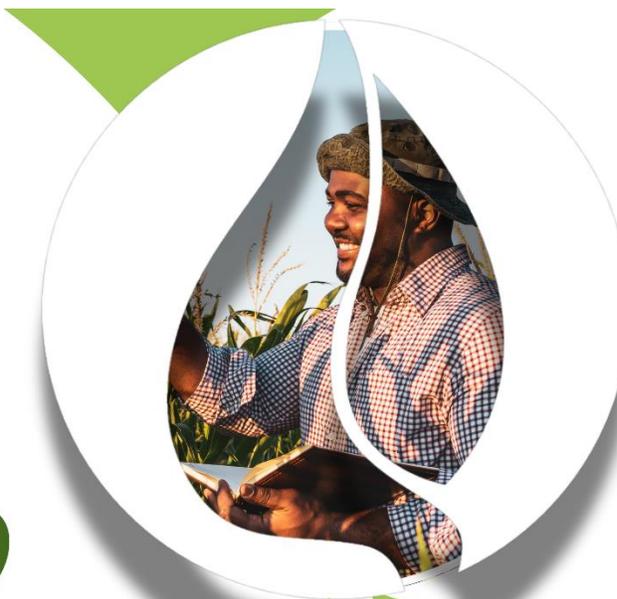

Submitted with respect and humility,

REPORT OF THE

District Presbyter

Rev. Darrell Garrett

Welcome Messenger Collage President and TN District Convention Chair Bro Rayburn, TN District Bishop Rick Walsh, TN District Secretary, Scott Long, TN District Regional Presbyter Brian Gelande, Sectional Presbyters and Department Heads. Greetings in the name of the King of Kings and Lord of Lords, Jesus our Christ.

I am honored once again to stand before the TN District annual Convention. I am grateful to be able to serve this past year as your District Presbyter.

I have to say that the highlight of this year was to be able to go on vacation as a district board. What a time of blessing and refreshing it was. The trip was to be a time of fun and sun, relaxing and recharging. It was that and more. You know we have a saying in Tennessee “You can take the boy out of the country, but you can’t take the country out of the boy.” Well, I found out that you can take a preacher out of the church, but you cannot take church out of the preacher! We all had special encounters that I know that the Lord had his hand in. We all had opportunities to witness, minister, and to pray for people. I am so glad that the same God I serve in Tennessee is the same God in the Bahamas!

Our District fellowships have been great! Our Back to the Bible services is growing. I especially enjoyed the Marriage is a Covenant not a Contract service that was held at Fort Donaldson PCG. Not because I preached but because of the response. I plan to continue the Back to the Bible theme again this year. The topics are relevant but go a little beyond the normal pastor to congregation sermon. I appreciate everyone that has participated in the District Fellowships.

I was inspired to do the Back to the Bible Fellowships by social media. Yes, that thing where everyone gets all their truth about the Bible and God. Where you read ‘You can’t be a liberal and a Christian!’ Or. ‘Donald trump is ordained by God to make our country great again.’ All I read was two political opinions bashing each other. No one loving each other. I had a person about faint because I said that “I believe my prayer is more important that my vote.” You would have thought I said a cuss word. People are depending too much on man and man’s policies rather than trust the word of God and the power of a risen savior! So back to the Bible we go!

Again, I want to thank the wonderful people of the Tennessee District for allowing me to serve. I am humbled. Thank you, Bishop, for your leadership and friendship, thank you for allowing me to tag along on your outdoor adventures. Thank you district board for putting up with my forgetful nature. I am proud to be part of such a group of Godly men. We genuinely love each other and have each other’s back.

To my wonderful, beautiful wife Anna. Thank you for believing in me thirty years ago. Here we are after all these years still fighting, the good fight of faith. Being a minister is challenging but being a minister’s wife is a greater challenge. You deal with everything I deal with then you still deal with me. I nominate you for the Ministers Wife Hall of Fame. You sure have earned it. I love you with all I am.

In service to God the Father, God the Son, and God the Holy Ghost,

THURSDAY REPORTS

**TENNESSEE DISTRICT
CONVENTION 2025**

REPORT OF THE

Regional Presbyter

Rev. Brian Gelande

To: Convention Chairman Rev. Dr. James Rayburn, Bishop Rick Walsh, Sec/Tres Scott Long, District Presbyter Rev Garrett, Section Presbyters Rev Joe Page and Rev Terry Kesley, Department Directors, Audra Walsh, Tim Shiverdeck, James Walsh and Charley Long, Ministers, Spouses and Constituents.

Greetings, God is so good. At the time I am writing this report, I am sitting in my office on a Sunday Afternoon, feeling the pressure from Rev. Scott Long as He sent us our regular text, “Hey it’s 3 weeks till your reports are due”. Then We get another text, thank you Tim, Terry and Darrell for sending your reports in. Then another text thanking Bro Joe for sending in his report. So here I am feeling the pressure.

On a serious note. The Pentecostal Church of God has been my life since I was 12 years old. I attended my first Youth Camp in 1985. I was called into Ministry and became an Exhorter Minister in 1999. Promoted to License in 2000. And 20 years ago, I became an Ordained Minister. I would love to tell you that the road has been smooth, and I never experienced difficult times. What I can tell you is God has a plan. He called me and chose me, and I’m thankful that he did.

TNPCG is not just a District and not just an organization, it’s home. You are my family and I’m blessed to have you.

So on with my report! I have attended all the board meetings, and District fellowships as well as the Men’s retreat and Youth Camp. Isaac and I was also blessed to join Bro Terry, Sis Penny and Bro Tommy Kesley on an Indian Mission Trip in Wanblee S. Dakota. There are opportunities to bless one of the poorest communities there on the Indian reservation. The needs are great and more news to come from Bro Terry and myself.

It is refreshing to see New Ministers joining our District with the additions of Dana Capps, Coleton Jayne, Donnie Moss, Blake Waffird as Certified Ministers.

Part of my role as Regional Presbyter is to assist with Ministers promoting to the next level. As the PCG provides new resources I will be sure to share those with you as well.

The Theme for this year's convention "Made for More" reminds me daily that I was made to be a servant. I was made to uplift the name of Jesus and I was made to make a difference. So, Lord I am clay in your hands, mold me as you see fit.

I am blessed to serve as a member of this Board. These men are mentors, brothers, and friends. I am confident in their desire to serve you and this District. I appreciate them and couldn't ask for a better group of people.

My now adult kids have been groomed by many of you to blaze their own paths, which now involves ministry as well.

To my Church Family of Ft. Donelson PCG thank you for supporting us and praying for us.

Connie you are the best gift God has ever given me. You are my sounding board, and my sanity at times. Isaac and Michaela, continue to service God in the callings God has placed on you. Love you all.

Humbly Submitted

It has been a good year! I have enjoyed being the central section presbyter, it has been an honor.

As Pastor of North Stewart PCG, we have seen God move tremendously, both spiritually and physically this year. We also had a few central section fellowships.

I appreciate all district pastors, especially the ones in my section, and I look forward to seeing what God has in store for the upcoming year.

Lastly, I want to thank my wife for keeping me dressed to impress. I love her very much.

Rev. Terry Kesley

Chairman- Bishop James Rayburn; Bishop Rick Walsh; Secretary Scott Long; Presbyter Darrell Garrett; Fellow Board Members, Department Directors, Ministers, Local Church Delegates, and Friends:

Grace and peace be multiplied unto you in the matchless name of our Lord and Savior, Jesus Christ. It is with profound reverence and deep personal affection that I extend heartfelt greetings to my cherished friends, beloved family members, and the devoted body of constituents gathered here under the sacred banner of the Pentecostal Church of God, Tennessee District.

It is no small honor to be part of this esteemed assembly. My admiration for the Tennessee District runs deep, as does my unwavering commitment to the Pentecostal Church of God. The spiritual legacy, doctrinal fidelity, and communal unity that characterize this district are sources of immense pride and enduring gratitude. To declare with conviction, "I am PCG," is to affirm one's alignment with a movement marked by Spirit-empowered ministry and uncompromising truth.

I would be remiss if I did not pause to acknowledge the most extraordinary earthly blessing the Lord has bestowed upon me—my darling wife. For thirty-seven remarkable years, she has been my confidante, my encourager, and the radiant embodiment of Proverbs 31. Her steadfast love and sacrificial partnership have enriched my life beyond measure, and I remain humbled and grateful for every moment we have shared on this journey of faith and service.

May the Lord continue to pour out His favor upon this district and upon each of you gathered here today. Let us press forward with fervency, unity, and an unshakable resolve to fulfill the divine mandate entrusted to us.

With deepest esteem,

REPORT OF THE
Youth Director

Rev. James Walsh

To all the members of the board and those in attendance at this convention,

This year has truly been a rollercoaster. There were many great things that happened this year but we also faced many challenges. I am happy to report, however, that God is still good and He always will be.

As many of you know, I took over as the lead pastor of Hope Worship Center this past year. It has been a wonderful and challenging experience, so far, but it has also made this role just a little more challenging. On top of that, I felt the Lord calling myself and Malori out of this position before last convention. We allowed our name to run again in hopes to give time to allow someone to come up and lead our youth when we stepped down. I will talk about this more later in this report but the honest truth is that this was a difficult year for us.

Even through the difficulty, there was still so much good that happened this year. Here is a look at some of what we did and of what is to come.

Impact Appalachia: This year the national PCG made the decision to cancel our Impact Appalachia trip. There were many reasons for this but this did stop one ministry and outreach we typically participate in. However, I am told that the Impact Appalachia ministry will be coming back. Once I have more details on that, I will provide those to you all and we can make a collective decision to participate or at what level we participate moving forward.

Lock-ins/ youth events: We did not have many youth events this past year. As I mentioned above, I took over the role as full time pastor and this did take up a lot of time and resources. I do believe we could have done more or done better but these were fewer than we would like. I would like to give a shout out to Ft. Donelson and the youth night they hosted earlier this year. We had a great time and I am glad that Malori and I were able to attend. For this year, we do plan to plan more events and have more going on with our youth but the reality is, we are going to need your help. Our youth needs us now more than ever. I will get these on the calendar, so we all know when they are. I challenge you, not just to send your kids, but to attend yourself. Statistically speaking, if you find it important, so will your youth.

Church camp: Speaking of attending, we had a great turnout at youth camp. This year we saw not only a great increase in the number of kids that came but we also saw a great increase in

those who came to camp to BOOKhelp, be present and pour into our young people. Overall, we had 60 campers between the ages of 8 and 18. This is almost 20 more than last year. The young people that came to camp this year saw so many breakthroughs. I have heard and seen testimonies of what is happening in many of their lives since camp. The theme this year was a fresh outpouring, and I truly believe that God poured something new in our young people and is going to continue to do so. I want to say a special thank you to all of you who came and helped. We could not do it without you all. I also want to say a special thank you to Ethan for stepping out of his comfort zone and leading our praise and worship. He is blessed beyond measure and it is encouraging to see what God is doing in him.

Briefly, I want to speak on the finances of the youth department. I know our secretary will cover some of this but I thought this was important to add. The main source of income we have comes from camp. The increase in attendance made a great change from last year but there is still room for improvement. Overall, camp cost about \$10,400 to run. We brought in \$12,469. This does mean that we would be in the green but we should also keep in mind that \$2,725 of that income was donations to youth camp. That meaning, even with the increase in attendance, tight purchasing to keep cost down and the 10% discount we got on the camp this year, that we still would have lost money without direct donations to camp. I am not saying donations are bad. These are great and we appreciate the support. However, it is not always easy to bank whether you will be green or red on the year based on donations. I want to leave this department in a way that allows the next DYD to be successful and able to operate for the long term.

Overall, I once again want to say thank you. This year has had challenges, but I am hopeful for the future. Our young people are so hungry for the Lord it is hard to deny and I am excited to see what God is doing. My hope is to be able to come and see all of you at some point this year and, hopefully, find someone that we can mentor to take over this department after this year. This will be our final year as your DYD's. Our ministry for our young people will never end but this chapter is coming to a close. I hope that you will all be prayerful with us that the right person will come along to lead our next generation to a closer relationship with the Lord. Thank you all once again. All who support us, all who care for us, all who pray for us and all who we call friend. Thank you to HWC for all you do and put up with for us. We could not do this without you. We truly do have the best church. And thank you to Malori. I am blessed to have you. Your love and support is appreciated more than I tell you. Thank you for all you do for this ministry and all the other ministries we are in. I love you and thank you. Sadie and Asher, I love you.

REPORT OF THE

Women's Director

Audra Walsh

To the Tennessee District Convention Chairman, Rev. James Rayburn; District Bishop, Rev. Rick Walsh; District Secretary, Rev. Scott Long; District Presbyterian Rev. Dewey Garrett; Regional Presbyterian, Rev. Brian Gelande; Sectional Presbyters, Officers, Sectional representatives, delegates, and all in attendance at the 2025 Tennessee District Convention:

To God be the glory for all He has done and is continuing to do through the TN PCG! It remains my joy and privilege to serve as your Women's Ministries Director, and I count it a blessing each and every day to walk alongside the strong, faithful, Spirit-led women of the Tennessee District. You are a such an inspiration to me!

This past year has been full—full of travel (over 5,000 miles in the car), full of ministry, and full of God's goodness. I've had the opportunity to visit most of our churches around the state at least once, and each visit has reminded me just how richly gifted and deeply committed our ladies are. Whether in services, or simple fellowship, the Spirit of God has shown up in powerful and personal ways. We were also blessed to be able to attend this year's PCG General Convention in Glendale, AZ where we were blessed with being able to attend services with powerful praise and worship and the anointed word. Of course, we attended the business meetings and participated in the voting but let's face it, business is business – but the Glory of God in the services is truly the thing worth sharing!

As we have done for several years now, we were also honored to serve during our District Youth Camp again this year—not preaching or teaching, but rolling up our sleeves in the kitchen! And let me tell you, there is something sacred about serving behind the scenes while watching the next generation encounter the presence of God. It can be so easy to get wrapped up in our 'grown-up' problems that we overlook the struggles of our youth. I am grateful for the opportunity to serve at this event each year so that the Lord can remind me what he is doing in the next generation. These kids really need us – now more than ever. Mark your calendars now for next year's camp and find a way to be a part. Even if you can't serve in any official capacity, come and be a part! Your kids will notice and be encouraged by your support.

We had nearly 50 women in attendance at our annual Women's Ministries Retreat. It was a time of refreshing and renewal, and the Lord met us there. Our speakers delivered a word that was as powerful as it was timely. It's amazing to me how the Lord can show up time after time and each time he does a new thing – year after year, blessing after blessing – What a mighty God we serve! I know I say this every year but if you've never joined us for a retreat, I urge you: make 2026 the year. Come expecting, and I believe you'll leave changed.

As it pertains to the National Women's Ministries initiatives, we have not had as much participation as I would like. We currently have only two churches that registered their ladies' groups, participated in Light Another Candle and participated in the Alabaster Outpouring. Sometimes it is easy for us to lose sight of these things because we do not directly see the impact they are having however when we actively support these initiatives, we are in part fulfilling the 'go into all the world and preach the gospel' portion of Mark 16:15. You and I may never have the opportunity to personally minister to the abused and neglected girls of Guatemala, or rescue young women from human trafficking, or serve the under privileged children and families of Manaus, Brazil – but your support of the annual Women's Ministries initiatives does just that. It also helps in raising up next generation ministers that we so desperately need through Messenger College. These are just a couple of examples of the impact your participation has but there are many more! I encourage you, let's purpose in our heart to press in and re-engage with the ministries of the Pentecostal Church of God Women's Ministries in the year to come. After all we are all part of a one body and when we work together, much can be accomplished for the kingdom of God. If you would like to see some of the work going on in these ministries I mentioned, you can visit the links I have provided at the end of my report.

Thank you for all of your support over the past year. I treasure your friendship, your words of encouragement and, most of all, your prayers as I continue to try and serve you well. There are so many who do so much to try and name everyone would be impossible but please know I am thankful for each one of you! To my incredible husband—your strength and support mean more than I can ever say. This calling isn't always easy, but you help carry it with grace and love. I am deeply grateful.

REPORT OF THE
Men's Director

Rev. Tim Shiverdeck

To the District Convention Chairman James Rayburn, Bishop Rick Walsh, the Tennessee District Board and Officers, District ministers, and all in attendance.

What a humbling experience it was to be chosen to serve in this role last year. It was definitely a challenge deciding whether to jump in with both barrels blazing or gently step in to get a feel for where we are. One of the greatest lessons I've ever learned in ministry came from a story about a new pastor. He wanted to move the piano from the left side of the platform to the right. The church objected, saying, "That's where the founding pastor put it." So, the new pastor decided to move the piano three inches at a time. Over the course of the year, the piano quietly found its way to the right side—without anyone noticing. That story has stuck with me. So, I chose to step in gently, to observe, to listen, and to learn how best to serve the men of our district.

First of all, I want to begin by saying thank you to my wife. She has always been my encourager...my cheerleader...my motivator. She is there for me to keep me focused when doubt starts to creep in. She is my creative side. I am so glad God has given her to me to live life with.

I also want to take a moment to thank Tommy Kesley, Colton Jayne, Scott Bridges—our men's leaders. These men have such a heart for reaching other men across our district. It has been a true blessing to work alongside them, to share ideas and dreams for the future. They've been doing a great job bringing the men of their churches together for fellowship, which blesses me deeply.

Our 2025 Men's Retreat is in the books! It was great to see so many men come together to enjoy fellowship, fun—and definitely the food! Our theme was "Breaking the Silence." There's a quote that says, "The only thing necessary for the triumph of evil is for good men to do nothing." The enemy has done a great job convincing us that silence is safe—but we know that's not true. Rev. Brad Reed, the Southern Missouri Men's Director, powerfully challenged us through the Word to rise up—not in silence, but in strength—in our homes, families, and churches. A special thank you to Miracle Temple for hosting our retreat and to the ladies who prepared such wonderful meals. Your ministry to us did not go unnoticed.

Every year around Father's Day, we hear statistics about how vital a father's role is in the spiritual life of his family. And yet, too often, men's ministry gets pushed to the back burner. My heart's desire is to see the Pentecostal Church of God grow in the state of Tennessee—and I

believe a strong men’s ministry is key. May I humbly submit these thoughts?

To our youth ministry leaders: If you want to see more young people in your churches, support your local men’s ministry. The children will come.

To our women’s ministry leaders: If you long to see more women rise up to serve, support your local men’s ministry. The ladies will come.

To the district as a whole: If we want to see more people stepping into ministry, we must invest in reaching men.

Most importantly, pray for your men’s leader. Reaching men in today’s culture is not easy—it can be overwhelming and lonely. Be an encourager. Ask how you can help him reach the men in your area. Be excited about the men in your church. Find ways to encourage them—to lift them up and let them know they are valuable not just for what they can do (fix something, carry something, mow something)—but for who they are in Christ.

Speaking of support, we’re already looking ahead. Two more events are planned for this year.

First, we’re organizing a “Shootout” for late August or early September. Westwood has graciously offered their grounds for us to use. It will be a great time to bring out your firearms, have some fun, and build camaraderie. There may also be some prizes involved.

Second, in November, we are asking each church to participate in a special “TN 4 Men” offering. This offering will go to the National Men’s Ministry to help support their efforts at the national level.

Looking toward 2026, we’ve heard the desire for more opportunities for fellowship beyond the local church. We’re actively evaluating ways to expand those opportunities—both within individual sections and across the district. Be sure to keep your calendars open early in the year—the 2026 Men’s Retreat will be here before you know it!

Additionally, we’d like to get more resources into the hands of our men. We’re currently in discussions with the Sonshine News Editor about adding a Men’s Ministry page to the district website, featuring resources specifically for men. If you haven’t already, please join our Facebook page at www.facebook.com/pcgtnmen. Our goal is to provide weekly encouragement there as a readily accessible source of strength and inspiration.

I want to thank everyone for your continued support. I’m excited about what’s ahead and am praying that all we do will glorify the Lord as we reach the men of our communities—especially in a world that seems to be spiraling out of control.

Annual Convention Report 2025

I am once again honored to submit this annual report to our Tennessee District Pentecostal Church of God Convention. Each year, I am reminded of the great privilege it is to serve this incredible District alongside so many faithful men and women of God.

Embracing Our Mission in a Digital World

As the world continues to evolve rapidly in the digital space, so does our District. This past year, we have focused not just on efficiency, but on **intentional connection**—ensuring that every tool we implement serves the greater purpose of **unity, outreach, and spiritual growth**.

Our website continues to serve as a central hub for communication and resource access. Thanks to Google Workspace for Nonprofits, our TNPCG leadership now benefits from secure and professional communication using custom @tnpcg.org email addresses, without cost to the District. If you have not utilized your @tnpcg.org email and would like to do so, please let me know and we'll get you started. We've also further streamlined access to District resources, leadership directories, open churches, and event information.

We are continuing to see growth in the use of **Tithe.ly**, which has allowed us to simplify giving, registration, and merchandise purchases. I continue to assist the Secretary in overseeing the integration of digital giving while he focuses on record-keeping, ensuring that each local church has the support needed to adapt confidently.

We renewed our **TechSoup membership**, which has saved the District hundreds of dollars this year alone on software licenses, web hosting, and tech subscriptions. These savings allow us to reinvest in training, development, and outreach.

Strengthening Digital Communication & Social Media

This year, we focused on **improving internal communication** between leaders while extending our reach outward through social media. Our TNPCG Facebook page and private groups especially the **TNPCG Congregation Group and TNPCG Ministers and Spouses Group**—have seen continued engagement.

Pastors, if your congregation hasn't yet joined our Congregation Group, I encourage you to invite them. It's an effective way to stay informed and involved in District events like retreats, conferences, youth activities, and leadership gatherings.

Stewardship and Support

One of the quiet victories of this past year was the **seamless continuation of our TNPCG Member Perks**, including **free CCLI licenses** for all chartered TNPCG churches. This not only blesses our churches financially, but also ensures we remain compliant with copyright laws when sharing music and lyrics.

Please remember: if your church is live-streaming, a separate streaming license is required. The District provides the main CCLI license, but streaming coverage must be purchased by each church individually.

The Heart of Our Mission: Biblical Literacy

I want to echo and reemphasize a core burden I've carried from last year into this one: **biblical education must remain central to our mission**. We cannot be a strong District if we are not a biblically sound one.

We need our members—young and old—to know how to search the Scriptures for themselves. A revival of Bible reading, study, and memorization could change the entire trajectory of our churches. Let us invest time and energy into **Sunday School, Bible Quizzing, discipleship programs, and intentional preaching and teaching** that challenges and grows the believer.

As Paul said to Timothy, Continue thou in the things which thou hast learned and hast been assured of... And that from a child thou hast known the holy scriptures... (2 Timothy 3:14-15).

Personal Note

This past year has been filled with transition, joy, and a little chaos—just as life tends to be. Our family has officially entered the world of **grandparenting**, and let me say: Nana and Papa are embracing it wholeheartedly. Whether it's answering FaceTime calls from little ones, babysitting (all night and all day at times) or showing up to events, this new season is one we treasure deeply.

To my wonderful husband, Scott Allan—you are still, and always will be, the best decision I have ever made. Your support, wisdom, and strength ground me, and I thank God daily for you. To our officers, pastors, and delegates—thank you. Thank you for continuing to trust me with this role and for showing up year after year to lead your people with grace and faithfulness.

Together, we are TNPCG Strong.

REPORT OF THE TN DISTRICT AUDIT COMMITTEE

July 20, 2025

Greetings from the Tennessee District Office:

The privilege and responsibility of doing the financial audit of the Tennessee District and related departmental accounting has been performed by current and former Presbyters of the Tennessee District Board.

In an effort to save both time and money, we have continued the practice of performing the audit under the direction of an auditing committee. The Tennessee District Presbyter, the Regional Presbyter, the Central Section Presbyter, the Western Section Presbyter, and some of our former Presbyters have each been appointed as representatives of our district and our individual sections in order to provide a complete accountability of the financial records of the Tennessee District Secretary-Treasurer.

The audit has been conducted using Rev. Aaron Wilson's design with the following change. *Exhibits A- Statement of Position; B- Operation; C- Change of Position; D- Cash Flow* (basically showing all departments with divisions and providing in detail, where we were, where we are, and how we got there) have each been consolidated into our current and singular *Exhibit A- Statement of Financial Breakdown*.

The QuickBooks Financial/Accounting Program has been used to track every monetary transaction for the current fiscal year, with the Tennessee District Convention Auditing Committee being given access to all data, including necessary bank statements, in order to obtain both beginning and end of year profit, loss, and balance for each division and fund in the Tennessee District.

All funds in the Tennessee District Office are present and accounted for.

REPORT FROM
2025
GENERAL
ASSEMBLY**

**PROVIDED FOR YOUR
INFORMATION**

Report of the *Messenger College President*

Dr. James Rayburn

To our General Council and General Board, ministry directors, and to the Pentecostal Church of God family, I submit the following report:

Messenger College is making a difference in this Decade of Harvest! Updates concerning Messenger College's involvement in each of the four global missional goals are as follows:

100 NATIONS: Messenger College is committed to increasing our global impact! Over the last few years, MC students participated in mission outreaches and internships in Brazil, Chile, Hungary, Spain, Cuba, Nicaragua, Iraq, and Guatemala. We also welcomed our first international student from Brazil and our first PCG international staff from Trinidad and Albania. Additionally, MC conducted Mission Chapel services in which each student adopted a country to pray over during the year, and our PCG missionaries to Spain, Kent & Jody Brown, taught a course on Missional Strategies to further equip our students in evangelism.

Since the last Assembly, our new concentration in Intercultural Studies has grown! This concentration is designed to launch students as missionaries with PCG Global Missions. This summer, our students and alumni will walk El Camino de Santiago (again) to share the Gospel and guide those seeking answers.

1,000 NEXT-GEN LEADERS: MC faculty have provided training each year at the Encounter Conferences and General Assemblies. Over the last two years, we have also offered free webinars on Christian Worldview and Pastoral Care, a free youth series on Christian Worldview, plus special presentations at district training events. In addition, our staff have spoken at district youth camps and supported several district youth events. Launching next year, MC is offering Dual Credit classes! High school students can get Bible and biblically-based, general education college classes through MC online.

10,000 MINISTERS AND CHURCHES: MC established and expanded articulation agreements with Christ For The Nations Institute and the Arkansas District's Accelerated Institute of Ministry (AIM). MC continues to offer a cohort program where groups can work within local churches and/or districts and launched a prior learning portfolio course to allow ministers to get credit for the learning experiences they gained in ministry. This fall, we are also launching our 1-year Certificate in Pastoral Ministry to help train young adults and ministers in practical ministry.

1,000,000 CHRIST-FOLLOWERS: MC worked with local mission outreach ministries, such as Mission Arlington and Six Stones, to support outreach ministries within the DFW community. MC also worked in outreach endeavors in Odessa, Texas; the Bay Area, CA; Los Angeles, CA; New Orleans, LA; and Irving, TX. Additionally, MC conducts an annual prayer-a-thon where each minister, each church, and each ministry department (including all the workers within the departments), plus individual requests, are prayed for by

the MC students and staff. This fall we are also launching a new Teaching English as a Second Language (TEFL) Certificate to help our missionaries gain access into closed nations, and/or allow our ministers to serve in schools or create ministries for an underserved population.

In partnership with Global Missions, MC also launched a program to train our youth in Campus Ministry. This will be led by Lynnea Martinez. Statistics show that 70% of our young adults leave the faith after graduating from high school and attending secular colleges. Completing an Associate of Arts degree at Messenger will provide a firm theological foundation for our youth to become missionaries to secular universities, especially if they transfer to obtain degrees other than ministry or counseling.

Messenger College is a small, fully accredited college recognized by the Department of Education, providing academic excellence and foundational ministry training for the Pentecostal Church of God. Our faculty comprises six doctoral degrees and several experienced master's degree professionals. Our accrediting agency has affirmed us for our "excellent programs." A PCG leader recently stated, "**Messenger College is the best kept secret in the Pentecostal Church of God.**" This is primarily due to our commitment to academic excellence, vetted curriculum, and teacher-to-student ratio. Our classes are small, providing more significant interaction between our students and their professors.

As you can see, our students are also provided with the opportunity for hands-on ministry training. Not only do they learn our doctrine and how to think critically to defend our faith against conflicting theories & ideas, but they also have opportunities to minister in various settings.

The real proof of our value is witnessing what our alumni and former students are accomplishing. Currently, in PCG leadership, we have one National Youth Director, one National Women's Ministry Assistant, two Directors of Global Education, one Global Missions Assistant, five District DYDs, two District Secretary-Treasurers, and one District Bishop. Several of our more recent graduates serve as youth pastors, senior pastors, and in other areas of ministry within the local church. One of our graduates is planting a Hispanic church while working as a counselor at a local community college and pursuing his master's degree. One couple serves as a regional field representative for Global Missions, while another works with an international outreach ministry, and several alumni work in the public school system. *Our former students are making a difference in their communities, the PCG, and across the globe!*

SO WHY CHOOSE MESSENGER COLLEGE?

1. To fulfill God's calling upon your life.
2. To provide a solid Biblical foundation.
3. To receive excellent academic training.
4. To participate in a community of faith.
5. To build life-long relationships.
6. To experience hands-on ministry.
7. To be launched into the Harvest.

IMPORTANT UPDATES FOR 2025 AND BEYOND:

This upcoming year will be MC's last residential year. In the 2026-2027 academic year, MC will be shifting to a fully online platform in order to expand our outreach and to enlarge our opportunities to train and equip the PCG international constituency. Messenger will still be providing accredited degree programs and expanding training through accredited Certificates, such as the new Certificate in Pastoral Ministry and TEFL Certificate. With this new direction, Messenger College will continue to offer biblically grounded, theologically sound education tailored to meet the growing need of the PCG ministries worldwide.

As we prayerfully move forward, here are some key points to note:

- Messenger College remains fully accredited through TRACS, ensuring ongoing academic quality and recognition.
- Alumni can still pursue advanced degrees, and former students can continue to petition for transfer credit from Messenger College to other accredited institutions.
- MC will maintain its residential program as normal during the 2025-2026 academic year.
- Future certification programs will be developed in alignment with the mission of the PCG and the needs of its ministries.
- Messenger College's financial endowments are not impacted by a transition to an online platform.
- Alumni (including Legacy Schools) will still have access to their transcripts via MC's website.

We are excited for what lies ahead and are confident that through faith, wisdom, and unity, God will continue to use Messenger College as a training ground for transformative leaders. Thank you for your continued support, prayers, and commitment to the vision of raising up world-changing Pentecostal leaders, and for the privilege of serving you as the President of Messenger College.

In His Service,

James E. Rayburn, D.Min.
President of Messenger College

Ways to Give

Give Monthly

1987 was the foundational year for Messenger College. It was the start of our journey as an institution built on the firm foundation of our Legacy Schools such as Southern Bible College and Pentecostal Bible College. Today, we continue to hold onto the legacy left behind by our alumni and family. In honor of the strong legacy set before us, we propose a monthly giving plan based on the year 1987:

- \$19.87 a month (Bronze)
- \$87 a month (Silver)
- \$198.70 a month (Gold)
- \$870 a month (Diamond)

A one-time donation of \$1,987 (World-Changer)

In Memory/Honor of Giving

Do you have a mentor, professor, or classmate who had a significant influence in your life or ministry? What better way to honor them than to donate in their memory/honor! Your gift allows their legacy to live on through the lives of our young adults entering their own ministry and counseling career journeys.

Endowment and Scholarship Fund

The MC Endowment and Scholarship program enables your financial gift to provide long-term support. An investment in the Endowment Fund allows the interest earned to be used to help keep the tuition low, whereas an investment in the Scholarship Fund allows interest earned to provide scholarships for students. WOMEN'S MINISTRIES
PENTECOSTAL CHURCH OF GOD

Tennessee District Pentecostal Church of God
Notes to the Financial Statement
June 30, 2025

NOTE 1: NATURE OF ORGANIZATION

The Tennessee District, Pentecostal Church of God is a subsidiary of the Pentecostal Church of God, (Incorporated) with international headquarters in Bedford, Texas. The Pentecostal Church of God is a pro forma, non-profit corporation and is exempt from all income taxes imposed on corporations by the United States Government under Section 501-C of the U. S. Internal Revenue Code. Contributions to the church are deductible within the limitations prescribed by the code.

The church was formed for the following general purposes:

1. To preach the Gospel and further the cause of the kingdom of God in the United States of America and foreign lands.
2. To promote and maintain churches and missions in the state of Tennessee, the United States of America and foreign lands, to provide fellowship and means of cooperation between churches of similar faith and doctrine, and to promote, establish and maintain certain districts therein, which shall be self-governing insofar as same do not conflict with the objectives and purposes of this organization, subject to the jurisdiction and control of this corporation.
3. To promote freedom of worship and liberty of expression within the limits of its own statement of faith and doctrine, among its own churches, ministers, and members.
4. To ordain, license, and otherwise qualify ministers to preach the Gospel and provide credentials for the same.
5. To establish and maintain Bible and training schools, inaugurate and maintain charitable institutions, such as homes for the aged, rest homes for ministers and missionaries, orphanages, cemeteries and kindred institutions.

The Tennessee District (PCG) is comprised of the following divisions:

District Office General Fund

Additionally, within the General Fund - Home Missions, Men's Ministries, Women's Ministries, Youth Ministries, and Designated Missions- (Local Church Holding Fund) are tracked and information included.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Tennessee District maintains its records on the cash basis of accounting which is adjusted at the end of each fiscal year to recognize assets and liabilities not included in the cash basis process. Fund accounting is used and all transactions are recorded in a fashion which reveals both source and destination of all funds. The assets and liabilities of the organization are reported in one self-balancing format.

While certain funds are designated as Home Missions, etc. in the accounting process, officers state that all funds are in fact undesignated by donors and are designated solely by action of the district board which has the authority to change those designations at will.

Property, Equipment and Depreciation: The Tennessee District does not at this time own real property other than that owned and operated by its member churches. The district office owns a variety of office furnishings and equipment. These are depreciated on a 10-year straight-line basis except for new acquisitions that are depreciated on a 5-year straight-line basis.

Interdepartmental Transactions: Because of operational procedures it is usual to receive and remit to another division certain funds recorded as Interoffice Transfers. These may represent funds received on a single check to be divided to differing divisions or divisions made by board and/or convention decision regarding certain received funds. This audit, we merged the departments into a single consolidated account.

QUICKBOOKS FINANCIAL/ACCOUNTING PROGRAM: The QuickBooks Financial/Accounting Program has been used to track every monetary transaction for the current fiscal year, with the District Convention Auditing Committee being given access to all data, including necessary bank statements, in order to obtain both beginning and end of year profit, loss, and balance for each division and fund in the Tennessee District.

**ARTICLE ONE
NAME**

NAME - Our name shall be: "Pentecostal Church of God, Tennessee District" herein referred to as the "district" or "Tennessee District of the Pentecostal Church of God," "Tennessee District Pentecostal Church of God," "Tennessee District PCG," "TN District PCG," "TN Dist PCG," "TNPCG," etc.

**ARTICLE TWO
PURPOSE**

PURPOSE - The purpose of the Tennessee District of the Pentecostal Church of God shall be to build churches and found missions within its own boundaries. Further, it shall be our purpose to encourage such churches as are new extant and such other agencies and activities which promote the salvation of souls and the function of the Holy Ghost. It shall be our purpose to further within our own boundaries the general aim and purpose of the Pentecostal Church of God.

**ARTICLE THREE
PREAMBLE**

PREAMBLE - We believe that it is the express purpose of God, our Heavenly Father, to call out of the world a people who shall constitute the Body, the Church of Jesus Christ, built and established upon the foundation of the Apostles and Prophets, Jesus Christ Himself being the Chief Cornerstone.

We further believe that members of the Body, the Church, are enjoined to assemble themselves together for worship, fellowship and instruction in the Word of God, the work of its ministry, and for the exercise of those spiritual gifts and offices provided for in the New Testament; and according to God's Word, the early Christians came together in such fellowship as a representative Body of blood-washed and Spirit-filled believers, who cooperated with, and sent out, evangelists and missionaries and, under the leadership of the Holy Spirit, set over the churches, apostles, prophets, evangelists, pastors, teachers, deacons and helpers.

Therefore, we recognize ourselves as a cooperative Fellowship of Christians, endeavoring to keep the unity of the Spirit in the bond of peace, till we all come in the unity of the faith and the knowledge of the Son of God, unto a perfect man unto the measure of the stature of the fullness of Christ (Ephesians 4:3-13).

**ARTICLE FOUR
TENETS**

DOCTRINAL STATEMENT

As a Christian constituency of New Testament believers, we, the Pentecostal Church of God, subscribe to the following declaration of the things which are more surely believed among us (Luke 1:1), praying that there be no harmful nor divisive difference of belief to the injury of any, nor the disturbance of the peace and harmony of the church, and that we may be all of the same mind and same judgment, speaking the same things in love (1 Corinthians 1:10; Acts 2:42) and with one voice glorifying God, to the edification of His people, and to give Christian witness to the world.

1. **The Scriptures:** The Scriptures of the Old and New Testament are the inspired Word of God (2 Timothy 3:16) presenting to us the complete revelation of His will for the salvation of men, and constituting the Divine and only rule of Christian faith and practice (2 Peter 1:21).
2. **The Godhead:** We believe there is but one true and living God, who is everlasting, infinite in power, wisdom and goodness; that He is the Creator of all things, visible and invisible, and preserver of all things (Romans 1:20; Colossians 1:16). In the unity of this Godhead, there are three Persons of one individual essence, who are co-equal, co-existent and co-eternal; namely, the Father, the Son and the Holy Ghost (Matthew 3:16, 17; 28:18, 19; 2 Corinthians 13:14; John 1:1, 2, 18; Philippians 2:6; Hebrews 9:14; John 14:26; 15:26 10:33). In eternal relationship as to priority (not superiority) the Father is greater than all (John 14:28; 1 Corinthians 15:28; John 5:18). The Son is the eternally begotten of the Father, and accepted earthly limitations for the purpose of incarnation, being true God and true man; conceived by the Holy Ghost and born of the Virgin Mary. He died upon the cross, the just for the unjust as a substitutionary sacrifice, and all who believe in Him are justified on the grounds of His shed blood. He arose from the dead according to the Scriptures. He is now at the right hand of the Majesty on High as our great High Priest, and He will return again to establish His kingdom of righteousness and justice. The Holy Spirit is a Divine Person, Executive of the Godhead on earth, the Comforter sent by the Lord Jesus Christ to indwell, to guide and to teach the believer, and to convince the world of sin, of righteousness and of judgment.
3. **Man, His Fall and Redemption:** Man is a created being, made in the likeness and the image of God, but through Adam's transgression and fall, sin came into the world (Romans 5:12). "All have sinned and come short of the glory of God" (Romans 3:23). Jesus Christ, the Son of God, was manifested to undo the work of the devil, and gave His life and shed His blood to redeem and restore man back to God (1 John 3:8).
4. **Salvation:** Salvation is made possible through the meritorious work of Jesus Christ on the cross and through Holy Spirit conviction. Godly sorrow works repentance and makes possible the experience of the new birth, and Christ formed within us is the gift of eternal life (Titus 2:11; Romans 10:13-15; Luke 24:47; Titus 3:5-7). Salvation is the gift of God to man, separate from works and the Law, and is made operative by grace through faith in Jesus Christ, producing works acceptable to God (Ephesians 2:8). Man is a free moral agent and can at any time after the new birth experience turn away from God and die in a state of sin; with the consequences of hell to look forward to.
5. **The Church:** The true Church, built upon the Foundation of Jesus Christ (1 Corinthians 3:11; Ephesians 2:20), is the Body of our Lord (Romans 12:5; 1 Corinthians 12:27); Christ being the Head (Ephesians 1:22; Colossians 1:18). Its earthly constituents are all true believers, born again of the Spirit (John 3:6) and of the Word (1 Peter 1:23), who are living an overcoming Christian life (Ephesians 5:27; Revelation 21:27). To the Church, through its members, is delegated the various gifts and offices of the Holy Ghost (1 Corinthians 12:8-11, 27, 28) which are necessary for the successful evangelization of the world and the perfecting of the Body of Christ (1 Corinthians 12:7; Ephesians 4:11, 12).
This universal, invisible sanctified church is the chaste virgin Bride of Christ (2 Corinthians 11:2; Ephesians 5:26,27; Revelation 21:9b, 27) and it is for this Bride for whom Jesus Christ returns, just prior to the Great Tribulation, to catch her away and take her to heaven (John 14:23; 1 Thessalonians 4:13- 18).

6. **Ministry:** God, through the Holy Spirit, definitely calls such as He desires to serve as *apostles, prophets*, evangelists, pastors, and teachers, and specifically endues the one called with the talents and gifts peculiar to the office or offices (Ephesians 4:11-13). Under no circumstances should anyone be ordained or set apart to any such office unless the calling is distinct and evident.
 7. **Water Baptism:** Baptism in water is by immersion, and is a direct commandment of our Lord (Matthew 28:19), and is for believers only. The ordinance is a symbol of the Christian's identification with Christ in His death, burial and resurrection (Romans 6:4; Colossians 2:12; Acts 8:36-39). The following recommendation regarding the water baptism formula is adopted, to wit: "On the confession of your faith in the Lord Jesus Christ the Son of God, and by His authority, I baptize you in the name of the Father, and of the Son of God, and of the Holy Ghost. Amen."
 8. **Baptism of the Holy Ghost:** The baptism of the Holy Ghost and fire (Matthew 3:11), is a Gift from God, as promised by the Lord Jesus Christ to all believers in this dispensation, and is received subsequent to the new birth (John 14:16; Acts 1:8; 2:4, 38, 39; 10:44-48). The Baptism of the Holy Ghost is accompanied by the speaking in other tongues as the Holy Spirit Himself gives the utterance as the initial physical sign and evidence (Acts 2:4).
 9. **Sanctification:** The Bible teaches that without holiness no man can see the Lord (Hebrews 12:14). We believe in the doctrine of sanctification as a definite, yet progressive, work of grace, commencing at the time of regeneration and continuing until the consummation of salvation (Hebrews 13:12; 2 Thessalonians 2:12; 1 Peter 1:2; Ephesians 5:26; 1 Corinthians 6:11; John 17:17; 1 Thessalonians 5:23).
 10. **Lord's Supper:** The ordinance of the Lord's Supper is a commandment of our Savior; and being a memorial to His death and resurrection, is strictly limited to Christian believers (1 Corinthians 11:27). The time and frequency of its observance is left to the discretion of each congregation (1 Corinthians 11:26). Only unfermented grape juice, the fruit of the vine, as recommended by our Lord (Matthew 26:29; Mark 14:25; Luke 22:18) shall be used in connection therewith.
 11. **Foot Washing:** Foot washing is recognized among many believers as a Christian practice, and the time, manner and frequency of its observance is left to the discretion of each local congregation (John 13).
 12. **Divine Healing:** Healing is for the physical ills of the human body and is wrought by the power of God, through the prayer of faith, and by the laying on of hands (Mark 16:18; James 5:14, 15); it is provided for in the atonement of Christ, and is available to all who truly believe.
 13. **The Resurrection of the Just:** The Bible promises, "This same Jesus shall so come in like manner" (Acts 1:11). His coming is imminent; when He comes, "The dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air" (1 Thessalonians 4:16, 17). Following the tribulation, He shall return to earth, as King of kings, and Lord of lords, and together with his saints, who shall be kings and priests He shall reign a thousand years (Revelation 20:6).
 14. **Setting a Time for the Lord's Return:** It is unwise to teach that the Lord will come at some specific time, thereby setting a date for His appearing, and it is also unwise to teach, preach or publish visions of numbers and dates which would tend to fix the time of the second coming of the Lord (Mark 13:32-33).
 15. **The Coming of the Lord:** We believe the Bible presents the coming of Christ as personal, imminent, pre-tribulational and pre-millennial. We further contend that this position alone admonishes watchfulness, incites holy living, prevents spiritual declension and provides maximum incentive and motive for urgency and zeal in evangelizing the unsaved. As demonic deception and satanic darkness deepens, we urge our ministers to maintain and proclaim this doctrinal viewpoint as the "blessed hope" of the Church. Furthermore, we recommend that should any of our preachers hold to the mid- or post- tribulation doctrine, they refrain from preaching and teaching it. Should they persist in emphasizing this doctrine to the point of making it an issue, their standing in the fellowship will be seriously affected.
 16. **Hell and Eternal Retribution:** The one who physically dies in his sins without Christ is hopelessly and eternally lost in the lake of fire, and therefore has no further opportunity of sharing the gospel or for repentance (Hebrews 9:27). The lake of fire is literal (Revelation 19:20). The terms "eternal" and "everlasting" used in describing the duration of the punishment of the damned (Matthew 25:41-46) in the lake of fire, carry the same thought and meaning of endless existence, as used in denoting the duration of joy and ecstasy of saints in the presence of God.
 17. **Relation to War:** Whereas, we believe that our government is ordained of God; and Whereas, We are thankful to the government of the United States of America for the freedom to worship God according to the dictates of our conscience; and Whereas, There are those within our church organization who conscientiously object to the bearing of arms in the time of war; be it Resolved, That we as a church organization affirm their respective right to this conviction as they offer their respective services to our government in any way consistent with non-combative service.
 18. **Tithes:** We recognize the Scriptural duty of all our people, as well as ministers, to pay tithes as unto the Lord (Hebrews 7:8). Tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord in general and not given to charity or used for other purposes (Malachi 3:7-11; Hebrews 7:2; 1 Corinthians 9:7-11; 16:2).

This shall be the process for credentials for all new ministers and those advancing from exhorters to license and from license to ordination. Those ministers who believe they have completed equivalent studies shall be required to pass the final examination for the appropriate credential, in which case the requirement for completing the *Study Series* for that credential shall be waived. If equivalency is sought, the exam and either the transcript of classes taken or the *Minister Study Series* Equivalency Form shall be submitted with the minister's application to the office of the General Secretary. Upon the completion of the *Minister's Study Series*, a comprehensive test, provided by the general office, will be given to the minister by the respective district. Said minister must receive a seventy percent (70%) score on the test in order to receive a certificate of completion. Should said minister fail to achieve a score of at least seventy percent (70%), they must repeat the test until the satisfactory score is achieved. Although this is a national program, it shall be processed through the district office.
For ministers transferring to PCG from another organization, a questionnaire shall be established from this series for exhorter, license and ordination. If passed and everything else is cleared, the minister shall be granted the desired credential. If the minister does not pass, they shall be asked to take the course from whatever level was failed.
2. Exhorter Credential - Exhorter status is considered the first step toward the goal of ordination.
 - a. Upon acceptance as an exhorter, by completing the *Exhorter's Study Series*, the minister shall hold this first step credential for a minimum of one (1) year. During this time the minister may exercise spiritual ministries as their gifts may be.
 - b. During this one-year period the minister may complete the *License Study Series* and complete the reading of the whole Bible, but this must be completed within two (2) years.
 - c. Within a two-year period, the exhorter shall submit to their district board an application for advancement to licensed status. The district board shall then determine if the exhorter is granted licensed status. If the district board does not grant licensed status at this time, the exhorter may apply again within another two-year period. If after that time the district board does not grant licensed status, the exhorter shall no longer hold ministerial credentials.
3. Ministerial License - The license credential is considered a second step toward the goal of becoming an ordained minister.
 - a. Within a two-year period, the licensed minister shall submit to their district board an application for ordination. The district board shall then determine if the licensed minister is approved for ordination. If the district board does not approve ordination at this time, the licensed minister may apply again within another two-year period. If after that time the district board does not approve ordination, the licensed minister shall no longer hold ministerial credentials.
 - b. Upon completion of the *Ordination Study Series*, a licensed minister may apply to the district board to be approved for ordination.
 - c. In the district board's consideration, the following questions should be noted:
 - ▶ Has the licensed minister read the whole Bible?
 - ▶ Has the licensed minister given evidence of definite plans to be active in the ministry?
 - d. Licensed ministers are at liberty to exercise their gifts as the Spirit leads and the doors open.
4. Certificate of Ordination - Ordination is considered the eventual goal of PCG ministers
 - a. The potential ordination candidate shall give clear evidence of the intention to remain in active ministry. The district shall notify the general office of new ordinations.
 - b. Any licensed minister desiring ordination in any district other than the district in which licensed status was granted, shall present a recommendation from the District bishop of the district that issued the license.
 - c. Applicants for credentials or promotions may be denied, even though all the required criteria are met, if it is deemed that the acceptance of the applicant for other reasons would be detrimental to the well-being of the church as a whole.
 - d. Annual credential renewal shall be attested by the district office and issued by the general office.
 - e. Any minister holding credentials with the Pentecostal Church of God cannot hold credentials in any other church organization or religious fellowship that issues credentials to preach the gospel.
 - f. The place of women in ministry relates to the principle that the Holy Spirit divides upon each as He will. "In the last days our sons and daughters shall prophesy" (Joel 2:28, 29; Acts 2:17, 18). When called of God and anointed by the Spirit, our women may freely serve as helpers, pastors and evangelists,
 - g. No credentials shall be approved for any candidate nor any minister be given annual renewal of ministerial status who attended Messenger College and still has outstanding amounts payable to the college unless a letter is presented from the college indicating that proper arrangements have been made for payment. Each district office shall be notified by the college not later than December first of each calendar year of any delinquency of payments by the respective student.
5. Credential Fees - Each minister shall participate financially for the maintenance of the General offices by paying the sum of \$30.00 each month, two dollars of which shall go to support Messenger College, six dollars for the support of the department of youth ministries, one dollar to the national missions department, with five dollars being placed in the benevolent death benefit fund to be applied to death benefits only.
 - a. Included in the monthly contributions shall be the following:
 - b. The usual application or renewal fee for credentials.
 - c. The subscription to *The Pentecostal Messenger*.
 - d. Only current gratis ministers (as of 12/31/2007) will be covered with the \$4,000 death benefit (payable to the beneficiary upon death).
 - e. Where both husband and wife are ministers, either ordained or licensed, or licensed to exhort, the following option is available: One minister shall pay \$30.00 monthly, which is the usual application or renewal fee for ministers, and the other shall pay half the regular rate (\$15.00 monthly) and would not be entitled to a separate subscription to *The Pentecostal Messenger*.

- 623 f. If said fees are not paid for a period of thirty (30) days, the minister will receive a letter of delinquency with a copy to the
624 district office. If the minister is still delinquent after sixty (60) days, the credentials will be dropped by the General office
625 and the district office will be notified. Any minister who is dropped by the General office must make an application for re-
626 instatement and meet with the District Board
- 627 g. The following ministers shall have their credentials fees and their subscription to the *Pentecostal Messenger* waived for one of
628 the following three conditions; (1)When credentialed ministers reach the age of seventy (70) and have carried ordination with
629 the Pentecostal Church of God for at least twenty (20) years or (2) if they are totally disabled with a terminal illness/physically
630 debilitating condition and are not pursuing active ministry, or (3) if they are seventy (70) year of age with twenty (20) years of
631 continuous service and who do not qualify for gratis status and cannot pursue active ministry. In order for ministers to begin
632 receiving this waiver, their credential fees must be paid up to date.
- 633 h. All ministers shall pay their tithe/dues as required by the district.
634

635 B. MINISTERIAL CERTIFICATION

636 *NOTE: With the exception of the following concerning Certified Ministers, all places in these bylaws referring to district ministers, shall be*
637 *an understood reference to Exhorter, Licensed, or Ordained ministers*
638 *State of Tennessee Law 36-3-301. Persons who may solemnize marriages. (a) (1) All regular ministers, preachers, pastors, priests,*
639 *rabbis and other spiritual leaders of every religious belief, more than eighteen (18) years of age, having the care of souls*
640

641 Certified Ministers shall be recognized as ministers, called by God to the ministry of the local churches in the Tennessee District of the
642 Pentecostal Church of God, who have met the approval of the TN District Board, and are presently maintaining a godly life and a Scriptural
643 standard of teaching as it relates to the doctrine of the TN District. Certified Ministers shall have all the responsibilities, rights, and privileges of
644 other TN District ministers. However, because all Pentecostal Church of God, General Headquarters bylaws, policies, procedures, and practices
645 dictate that ministers must be credentialed directly with the PCG in order to have a voice or a vote in PCG business, and because the TN District
646 has no power to circumvent the PCG General Headquarters, and in order to define the specific requirements of this credential, the following shall
647 be understood.
648

- 649 1. The Certified Ministers credential/certification does not infringe on the rights of the PCG General Credentials Committee or
650 circumvent the TN District Credential Committee as it relates to the process. This credential/certification applies to local church
651 ministry and does not infringe on PCG General or TN District matters.
- 652 2. Certified Ministers that keep membership, and pay tithe on (100%) one-hundred percent of their ministerial and secular income into a
653 local church in the TN District, shall pay a (\$10.00) ten-dollar monthly credential/participation fee into the TN District General Fund,
654 and shall be accountable to their Senior Pastor. Certified Ministers that keep membership, and/or pay tithe on their ministerial and
655 secular income into a local church or ministry not affiliated with TN District as defined by the TN District Board, shall pay a (\$25.00)
656 twenty-five dollar monthly credential/participation fee into the TN District General Fund, shall provide proof to the district of their
657 faithfulness in monthly tithing to their local church, and shall be accountable and must give a report to their Sectional Presbyter a
658 minimum of once per month. These credential/participation fees shall be paid by the tenth (10th) of each month, and will help to cover
659 the cost of a certified minister's inclusion in the ministry of the TN District, and shall be paid regardless of income.
- 660 3. Certified Ministers may not hold TN District Offices, (including but not limited to, a TN District Board Member, a TN District
661 Department Director, a TN District Senior/Lead Pastor of a Chartered PCG local church in the TN District, etc.), because TN District
662 Officers are representatives of the PCG General Headquarters, and the TN District has no authority to circumvent the PCG General
663 Headquarters. Election or Appointment to the position of a Sectional Representative (youth, women, men, etc.) shall be considered on
664 a case-by-case basis as determined by the TN District Board, and based on their specific position, they shall maintain the attendance
665 and financial requirements prescribed by the TN District Board.
- 666 4. Certified Ministers may not vote on TN District Business unless they are registered as a PCG local church delegate, a spouse of a TN
667 District minister, or they are voting on business that they have been appointed to vote on, and then they may only vote on the business
668 directly related to their appointed position. Again, the TN District cannot grant Certified Ministers the authority to vote, because TN
669 District Business that relates to the PCG General Headquarters or its representatives cannot be circumvented by the TN District.
- 670 5. Certified Ministers shall be encouraged to complete the PCG Minister's Study Series, and any minister seeking credentials with the
671 Pentecostal Church of God through the TN District may begin the process as a Certified Minister.
672

674 The Tennessee District of the Pentecostal Church of God does hereby establish a Ministerial Apprenticeship Program for the youth of our district
675 ages seven (7) to seventeen (17.) A Ministerial Apprentice shall not be recognized as a minister, but shall be recognized as a potential minister,
676 called by God to the ministry of the local churches in the Tennessee District of the Pentecostal Church of God, who has met the approval of the
677 TN District Board, and is presently maintaining a godly life and a Scriptural standard of teaching as it relates to the doctrine of the TN District.
678

- 679 1. A Ministerial Apprentice credential/certification does not infringe on the rights of the PCG General Credentials Committee or
680 circumvent the TN District Credential Committee as it relates to the process. This credential/certification applies to local church
681 ministry and does not infringe on PCG General or TN District matters. Applications will be processed by the TN District Youth
682 Department and the TN District Youth Director will be present when an applicant meets the TN District Board.
- 683 2. A Ministerial Apprentice shall be fully accountable to their Senior Pastor, and shall be given opportunity to learn, grow, and
684 serve, as needed, at the discretion of their Senior Pastor.
- 685 3. A Ministerial Apprentice shall not have a specific credential fee, but instead they shall participate in the youth ministries "I'm
686 Involved" program every year.
- 687 4. A Ministerial Apprentice may not hold TN District Offices, and may not vote on TN District Business unless eligible in some
688 other capacity.
- 689 5. A Ministerial Apprentice shall be encouraged to complete the PCG Minister's Study Series.
- 690 6. A Ministerial Apprentice shall be encouraged to participate in Youth Ministries activities such as Youth Talent Expo, Youth
691 Impact Bible Quizzing, Youth Camps, and Youth Rally's

693 **II. MINISTERIAL PEROGATIVES**

- 694 1. All ministers who desire license shall be well recommended. Those who desire ordination should have at least two (2) years of active
695 ministry as a licentiate.
696 2. At the discretion of the Credentials Committee, any acceptable ordained minister who has made, in person, a properly completed and
697 signed application, may be given full fellowship in this district.
698 3. Licensed ministers are expected to spend as much time in the active ministry as possible.
699 4. All granting of license and ordination shall be limited to the Credentials Committee at any district meeting. At other times, applicants
700 shall make application to the District Bishop, who will notify the applicant of the time when the District Board will meet in their
701 section. The applicant will appear in person before the District Board.
702 5. Every minister who desires license, ordination or acceptance of ordination from some other Pentecostal church shall appear before the
703 District Board, and shall declare their belief in the doctrines as set forth in the Constitution and Bylaws of the Tennessee District and
704 the General Constitution and Bylaws of the Pentecostal Church of God. They shall promise to preach this doctrine and no doctrine
705 which does not conform to this statement. This rule of doctrine shall apply to all ministers holding credentials with the Tennessee
706 District of the Pentecostal Church of God. Further, no ministers whose known doctrinal belief is contrary to the doctrinal statement of
707 the Pentecostal Church of God shall be elected to an office.
708 6. Any minister going from this district to another shall upon arrival notify the officials of the district into which they enter. Unless they
709 are actively engaged in extensive evangelism, they shall be required to transfer to the district into which they have moved after they
710 have been in that district for a period of six (6) months.
711 7. The Tennessee District shall adopt the standardized ministerial training curriculum established by the 1979 General Convention of the
712 Pentecostal Church of God. The administration of this curriculum comes under the direction of the District Board.
713 8. Any minister whose marital status changes, that minister must fill out a Change in Marital Status Form for the district office.
714 9. Any minister coming to the Pentecostal Church of God from other organizations shall be investigated by the District Board, which
715 must receive a recommendation from the organization from which the minister comes. If it is impossible to secure such a
716 recommendation for a minister, they shall not be accepted into the district membership until they have proven their ministry in one of
717 the following ways:
718 a. After having been a faithful member of a Pentecostal Church of God, they shall have their application signed by the pastor
719 of their local church and one (1) other minister who is in good standing with the Tennessee District of the Pentecostal
720 Church of God.
721 b. They shall conduct at least six (6) revivals in the Tennessee district, after which the pastors of the participating churches
722 shall be interviewed by the District Board as to the applicant's doctrine and deportment.
723 c. Persons coming into the ministry from the laity shall be subject to the procedure set forth in paragraph (a) above. Those
724 who enter the ministry from the laity will first be issued exhorter's credentials. After one (1) year as an exhorter, the
725 applicant becomes eligible for license. After (2) two years as a Licensed Minister in good standing, having proven their

730 policy). No person shall pass through the Ordination Ceremony without the approval of their application for Ordination by
731 the General Office.
732

733 **III. MINISTERIAL RELATIONS**

- 734 1. Pentecostal Church of God ministers are privileged to use the services of other ministers as evangelists, provided that their faith is in
735 harmony with Pentecostal Church of God doctrine. Pentecostal Church of God ministers are privileged to labor among other churches,
736 provided that they do not injure the Pentecostal Church of God in that place.
737 2. Pentecostal Church of God ministers should cultivate mutual fellowship and work in harmony. No Pentecostal Church of God minister
738 shall build a church within two (2) miles of a sister church in cities of 10,000 or less population. In rural areas, no Pentecostal Church
739 of God minister shall build a church within five (5) miles of a sister church unless they have the consent of the pastor of the nearest
740 Pentecostal Church of God or the District Bishop. No minister shall lend themselves to any disgruntled element in any church, nor be
741 involved in any effort to depose an incumbent pastor or cause dissension or strife. Any minister involved in such activities shall be
742 liable to drastic action.
743 3. Pentecostal Church of God ministers and workers must not interfere with those having charge of a church or mission. A minister
744 desiring to labor in a church must see or correspond with the church board or the District Bishop. Credentials with the Pentecostal
745 Church of God does not give free access to the pulpit of the Pentecostal Church of God churches.
746 4. Each Pentecostal Church of God minister shall place and keep membership with some local church of the Tennessee District
747 Pentecostal Church of God. Ministers shall maintain an active membership status by fulfilling both the attendance policy of the church
748 and the financial requirements of the district. Ministers who have a commute of fifty (50) miles or greater, and/or who have a personal
749 hardship or special circumstance, shall meet with the District Board, and shall maintain an active membership status by fulfilling both
750 the attendance policy prescribed by the District Board and the financial requirements of the district.
751 5. Each minister of this district shall contact the district office by correspondence, or in person, at least once each month.
752 6. All ministers shall supply the Tennessee District Office with a Cell Phone Number for texts and an Electronic Mail (e-mail) address as
753 their primary means of communication, helping to save time (*single action ability to contact multiple individuals instead of a single*
754 *individual, etc.*) and money (*paper, ink, envelopes, labels, stamps, etc.*) so that wherever and whenever possible, all of our Tennessee
755 District Officials and ministers can utilize an electronic means for their communication. Furthermore, any minister unable to receive
756 texts or e-mail must contact the Tennessee District Office for an exemption and explain their hardship to the District Board in order to
757 continue communicating by land-line phone and postal mail.
758 7. Each pastor shall cooperate with district workers by providing information necessary to complete the district workers report and to
759 establish district-wide programs.
760 8. Any minister who is not in the full-time ministry must fill out a monthly report of their activities, and send to the district office. Form
761 reports to be prepared by the district office.

- 762 9. Any Pentecostal Church of God minister who does not work in harmony and for the best interest of the Tennessee District shall be
 763 subject to disciplinary action.
 764 10. The Pentecostal Church of God is opposed to homosexuality and all forms of sex perversion, sorcery and witchcraft, and appropriate
 765 questions concerning these areas shall be included on the applications for ministerial credentials.
 766
 767

768 **IV. MINISTERIAL DISCIPLINE**

- 769 1. All charges against a minister shall be in writing and in triplicate. All charges shall be over the signatures of at least two (2) accusers
 770 who are licensed members or who are members in good standing of a church which is affiliated with the Tennessee District of the
 771 Pentecostal Church of God. Two copies of the charges shall be sent to the District Bishop, who will keep the one copy and deliver the
 772 other copy to the defendant. The District Bishop shall appoint a suitable place and time, and the charges shall be brought before a
 773 court of inquiry for resolution; in the event that the court of inquiry cannot resolve the problem, the case should be presented to the
 774 District Board and any other national official.
 775 2. No questions may be asked, nor any evidence that has no direct bearing upon the charges already filed. It is the explicit duty of the
 776 chairman to enforce this procedure.
 777 3. A court of inquiry shall consist of the District Bishop, the local Sectional Presbyter and any other district or national officers present.
 778 Should either party be dissatisfied with the decision rendered, they may bring the case before the District Board at the next District
 779 Convention. The decision of the District Board is final except in the case of ordained ministers, who may appeal to the General Board
 780 for a final decision. The defendant shall be considered innocent until proven guilty.
 781 4. If the defendant truly confesses and repents and shows a contrite heart, recommendation is made for leniency and, if possible, a full
 782 restoration after a suitable time of probation.
 783 5. If charges are brought against a District Bishop, the procedure shall be the same, except that the District Secretary shall act as
 784 chairman.
 785 6. If charges are proven to be true and of a sufficiently serious nature, the District Board may order the defendant's name to be removed
 786 from the ministerial list. If restoration is possible, the District Board may temporarily suspend a defendant's credentials for a
 787 determined period of time, during which all the defendant's ministerial duties shall be restricted at the discretion of the District Board.
 788 In addition to any suspension, the defendant will be placed on probation by the District Board for an additional determined period of
 789 time, where the defendant may be assigned an appropriate counselor and/or accountability partner. Any minister placed on probation
 790 shall be ineligible to vote in district business or hold district office.
 791 7. If the defendant is proven innocent and the charges are proven false, the accusers shall be deemed guilty of malicious slander, trouble-
 792 making and causing division, and they may be disciplined even to the extent of having their names removed from the ministerial list.
 793 8. Anyone who has once been tried and proven innocent of a charge, or who has repented and made proper restitution, shall not be tried
 794 the second time on the same charge. Anyone referring to the former charge either by word of mouth or in writing shall be subject to
 795 discipline. "Where there is no talebearer, strife ceases" (Proverbs 26:20).
 796 9. Any minister or applicant proven to be a user of tobacco, alcohol or any controlled substance shall immediately be subject to
 797 disciplinary action. In an effort to uphold the standards of the Pentecostal Church of God, the District Board may require that the user
 798 of such a substance be dropped from the fellowship of the Tennessee District.
 799
 800

801 **V. MINISTERIAL TITHE**

802 **A. MINISTER'S TITHING REQUIREMENTS**

- 803 1. All ministers (Exhorter, Licensed, Ordained) of the Tennessee District of the Pentecostal Church of God shall pay ten percent (10%)
 804 tithe on one-hundred percent (100%) of all ministerial and secular income by the tenth (10th) of each month.
 805 a. Exhorter Ministers shall pay twenty-five percent (25%) of their tithe into the general fund of the TN District PCG and seventy-
 806 five percent (75%) of their tithe into the general fund of their PCG local church.
 807 b. Licensed Ministers and any Exhorter Ministers who have had a PCG credential for three (3) or more combined years shall pay
 808 fifty percent (50%) of their tithe into the general fund of the TN District PCG and fifty percent (50%) of their tithe into the
 809 general fund of their PCG local church.
 810 c. Ordained Ministers and any Licensed or Exhorter Ministers who are in full-time ministry or who have had a PCG credential for
 811 five (5) or more combined years shall pay seventy-five percent (75%) of their tithe into the general fund of the TN District PCG
 812 and twenty-five percent (25%) of their tithe into the general fund of their PCG local church.
 813
 814 • **Exhorter Ministers**
 815 **Step 1 - Income x .10 = Tithe**
 816 **Step 2 - Tithe x .25 = District Percentage**
 817 **Step 3 - Tithe x .75 = Local Church Percentage**
 818 • **Licensed Ministers and any Exhorter Ministers who have had a PCG credential for three (3) or more combined years**
 819 **Step 1 - Income x .10 = Tithe**
 820 **Step 2 - Tithe x .50 = District Percentage**
 821 **Step 3 - Tithe x .50 = Local Church Percentage**
 822 • **Ordained Ministers and any Licensed or Exhorter Ministers who are in full-time ministry or who have had a PCG**
 823 **credential for five (5) or more combined years**
 824 **Step 1 - Income x .10 = Tithe**
 825 **Step 2 - Tithe x .75 = District Percentage**
 826 **Step 3 - Tithe x .25 = Local Church Percentage**
 827
 828 2. All ministers (Exhorter, Licensed, Ordained) shall support the general fund of the TN District PCG with a ten dollar (\$10) minimum
 829 monthly participation fee. These participation fees are to be paid regardless of income by the tenth (10th) of each month, and may be
 830 included as a part of the minister's monthly tithe to the TN District PCG.
 831

- 832 3. No minister (Exhorter, Licensed, Ordained) shall be required to pay more than a maximum of three-hundred (\$300.00) dollars per
833 month in tithe into the General Fund of the TN District PCG, and any tithe that exceeds this amount shall be paid into the General
834 Fund of their TN District PCG local church. This maximum limit shall not pertain to situations where ministers, who are past due, are
835 paying their last month's tithe in addition to their current month's tithe.
836 4. Any ministers who pay tithe to their own church may at no time use their own tithe to pay their own salaries.
837 5. Pastor of new works in the Tennessee District shall be allowed to pay up to one hundred percent (100%) of their tithe into the general
838 funds of that new work for the period of twelve (12) months. New works will be considered the startup of a new church. The pastor
839 will be required to make a financial report to the District Secretary-Treasurer each month showing the amount of their contribution to
840 the church's general fund. At the end of the initial twelve (12) month period, the pastor can appeal to the District Board for a six-
841 month extension if needed. The classification of a new work will be at the discretion of the Tennessee District Board and no verbal
842 statement made by anyone outside the District Board will be considered.
843 6. In the case of the pastor of a local church, the spouse is not a minister, and they pay tithe separately, that the minister's spouse's tithe
844 goes to the general fund of the local church. In the case of a District Bishop, who receives tithe, the spouse is a minister, and they pay
845 tithe separately, the bishop's spouse's tithe goes to the general fund of the district.
846 7. Church finance. Any church with an income of less than one hundred fifty dollars (\$150.00) per month (not including the pastor's
847 tithe), the pastor shall be allowed to pay fifty percent (50%) of their tithe into the church's general fund to help pay the bills. A report
848 must be filed with the District Secretary-Treasurer so that the District Board can be assured of all church income.
849 8. Tennessee District Ministers who, due to special circumstances and with the permission of the district board, have voluntarily chosen
850 to separate themselves from conventional district ministry by placing their church membership into an approved ministry not affiliated
851 with the district, shall be given permission to pay their specified percentage of local church tithe into the general fund of their non-
852 affiliated local church. However, as a result of this decision, they shall be required to relinquish the right to hold office or vote in any
853 district matters. – Furthermore, it shall be understood that this ruling shall not interfere with a minister's status as it relates to the
854 General Headquarters; it will not exempt a minister from regularly reporting to their assigned sectional presbyter; it will not excuse a
855 minister from paying their specified percentage of district tithe into the general fund of the district; nor will it represent a minister
856 who, with the permission of a district local pastor, maintains active membership in a district local church while also pursuing
857 ministerial opportunities outside of said district local church.
858 9. Tennessee District Ministers who have been placed on gratis status with the PCG General Headquarters may additionally be placed on
859 gratis status with the Tennessee District, having all participation fees waived by the Tennessee District Board, and tithe being
860 contributed in accordance with the district bylaws only as income is generated.
861 10. TNPCG Ministers who are unable to join a district local church but desire to participate in district business will, with the permission
862 of the District Board, report to an assigned presbyter and pay one-hundred percent (100%) of their tithe to the district general fund.
863

864 **B. MINISTER'S FAILURE TO TITHE**

- 865 1. Any minister who has not tithed for each month during the twelve (12) months preceding a meeting shall not be allowed to vote in the
866 meeting. The minister's spouse shall also be denied the right to vote.
867 2. The minister described in item #1 shall not vote in any business meeting or election of the Tennessee District as a church delegate or
868 minister's spouse. This shall also include any minister with any outstanding balance due the district or general headquarters.
869 3. The District Board will ensure that all ministers are consistent in their tithe paying. A notice will be sent to all ministers failing to
870 comply, and those failing to pay tithe should meet the disciplinary action as deemed appropriate by the District Board.
871 4. When any minister becomes delinquent in their tithe, they shall be notified by the District Secretary-Treasurer. If the situation is not
872 resolved within thirty (30) days, the minister shall be relieved of their duties and their ministerial credentials shall be revoked. THIS
873 ACTION SHALL BE ENFORCED WITHOUT FAIL OR FAVOR BY THE TENNESSEE DISTRICT BOARD.
874

875 **VI. MINISTERIAL REMITTANCES**

- 876 1. All remittances (except missionary offerings, merchandise and literature orders) shall be sent through the office of the District
877 Secretary-Treasurer. Such practice keeps each account current.
878 2. Any designated funds, property of any kind, received by the Tennessee District shall be accompanied by a letter as to the designation,
879 and shall be entered in the district file.
880

881 **VII. MINISTERIAL MARRIAGES**

882 **Marriage, Divorce and Remarriage**

883 We only recognize the Biblical definition of the marriage union as follows: A marital union is only a monogamous marriage between a natural
884 born man and a natural born woman. Based on the principle of covenant initiated by God, marriage is the relationship through which sexuality
885 can fulfill its potential to bless human lives. The covenant of marriage stresses fidelity to one's spouse. It promotes love, respect, trust,
886 companionship, intimacy, spirituality, and peace. (Ephesians 5:21-33)

- 887 1. **Affirmation of Marriage.** The Pentecostal Church of God affirms that marriage is between one natural born man and one natural born
888 woman. Homosexuality is not compatible with Christian ministry.
889 2. **Designed by God.** Marriage is a covenant designed by God and is a sacred covenant relationship between husband and wife for a
890 lifetime. The sanctity of marriage and family is upheld in Scripture. It is understood, therefore, that divorce is the breaking of the
891 marriage covenant and represents less than the ideal. We further understand that sin has disrupted marriage and family relationships.
892 Divorce is not encouraged in Scripture, for the grace of God encourages reconciliation. Yet because of the hardness, stubbornness, and
893 perversity of the human heart, reconciliation is not always possible. The New Testament does reflect a higher standard for the ministry
894 because of the responsibility of leadership in the Church and that the minister's life must model their message. We seek to
895 comprehend and practice a balance between God's grace and holding the standard set forth in God's Word.
896 3. **Divorced and Remarried Ministers.** No divorced and remarried Christian shall be granted Credentials with the Pentecostal Church of
897 God except in the following cases:
898 a. The divorce occurred prior to the applicant's initial understanding and acceptance of salvation evidenced by faith in Jesus Christ
899 as Savior and further the applicant did not demonstrate a lifestyle consistent with devotion to Biblical principles. We recognize
900 annulment as a marriage that never legally occurred. (2 Corinthians 5:17).

- 901 b. The divorce was for the cause of fornication or sexual immorality on the part of the applicant's former spouse (Matthew 5:32;
902 19:9), where the applicant was faithful to the marriage vows during the marriage.
903 c. The divorce occurred when an unbeliever departs from a believer (1 Corinthians 7:15). It must be determined that every effort
904 was made personally and legally to save the marriage, and said divorce occurred against the will of the applicant.
905 d. The divorce occurred because of spousal abuse (Eh 5:25, 28-29).
906
907 4. Same Sex Marriage. Whereas, we are facing insurmountable inroads of same sex agendas on television, the news, education and in
908 general society, Whereas, we are continually having to courageously stand against a wave of acceptance of same sex couples in the
909 name of tolerance, divergence and equal rights, Whereas, the attitude and moral level of the world encroaches gravely upon the Holy
910 Bible and its teachings on marriage being of "male and female", Whereas, the State of Tennessee, along with other states, as a trend,
911 are continually being forced by the Supreme Court to accept same sex marriage, Whereas, our Pastors, Churches and Ministry
912 individuals are to be protected by an umbrella of unified conviction and biblical stand from the assembly... Be it Resolved; those who
913 carry credentials with the Tennessee District of the Pentecostal Church of God will not be allowed to perform same sex marriages, Be
914 it further Resolved; while all are welcome to attend, homosexuals, lesbians, bisexual and transgender persons cannot knowingly be
915 allowed to serve in leadership positions in church functions or services, whether volunteer or paid; Be it further Resolved; credentialed
916 ministers risk losing their license with these infractions.
917

VIII. MINISTERIAL WITHDRAWALS

- 918
919 1. The District Secretary shall keep a correct record of the case of any minister withdrawing from fellowship with the Tennessee District
920 of the Pentecostal Church of God. This record shall state the cause for withdrawal. No person who surrenders parchments shall be
921 restored to fellowship until they have appeared before the District Board and satisfactorily answered any question pertaining to the
922 case under consideration. No money shall be refunded to any minister who has paid into the district treasury.
923

IX. MINISTERIAL AFFILIATION & STARTING NEW WORKS

927 possible to discuss the potential of a new work.

929 Church of God; and they shall not be entitled to register a local church delegate to conduct official district business until the church
930 has been set in order with a pastor in full membership with the Pentecostal Church of God.
931 4. Any potential new work may, with the approval of the District Board, be granted "Church Fellowship Status" giving them recognition
932 and encouraging affiliation with our district ministers and churches. However, any and all membership rights shall be reserved for
933 churches chartered directly with the Pentecostal Church of God.
934

1086 **ARTICLE EIGHT**
 1087 **RULING BODY**

1088
 1089 **I. CONVENTION POLICY**

- 1090 1. Beginning with the 1975 Tennessee District Convention, the District Convention of the Tennessee District of the Pentecostal Church
 1091 of God, convening in regularly or specially called business session, shall be the highest ruling and policy-making body in the district.
 1092 The action taken by said District Convention shall be binding upon the district in every respect, and all district officials, as well as all
 1093 boards and committees, shall be bound by this action. A vote taken at a District Convention shall not be altered, changed or ignored by

 1095 Convention.
 1096 2. The above limitations shall apply only to policy which has been laid down by a District Convention and which has become part of the
 1097 Constitution and Bylaws of the Tennessee District. Such limitations shall interfere neither with administrative decisions nor purchases.
 1098
 1099

1100 **II. BOARD POLICY**

- 1101 1. The Tennessee District Board may, when necessary, establish administrative policy in order to conduct district business. “Tennessee
 1102 District Board Policy”, or simply “Policy”, must be printed and made available, if requested, to all Tennessee District Ministers.
 1103 Policy, while just as binding, does not supersede, must not be in conflict, and cannot circumvent the Tennessee District Bylaws. It
 1104 must also be understood that the Tennessee District Bylaws have the sole power to create, set, and define our rules of order, while
 1105 policy, which must always operate within the scope of our bylaws, may only act as a guide to the procedures used to enforce our rules
 1106 of order. Any policy may be challenged by any group of three (3) or more district ministers and must then be brought to the next
 1107 immediate Tennessee District Convention for consideration by the convention. The policy will then become a resolution and must be
 1108 accepted as a new bylaw, or be discontinued to represent the wishes of the convention.

V. POSITION ON MARRIAGE, HOMOSEXUALITY & GENDER

We find in view of such misunderstanding in our nation and in the Church, world concerning marriage, homosexuality and gender; that we the Tennessee District Pentecostal Church of God must set forth our Biblical belief and position concerning these matters; this has been our beliefs and practice from the foundation of our Fellowship. We must not be alarmed that unbelievers do not honor God and will not allow the Bible to be their guide in life and conduct (I Cor. 1:18).

1. OUR DEFINITION OF MARRIAGE

- a. A Divine institution, set in order by God, the uniting of one man and one woman; having the Divine charge to reproduce and have dominion over the earth (Gen. 1:27-28).
- b. Gen. 2:18, "And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him. 22, And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man. 23, And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man. 24, Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh."
- c. Jesus Christ bears witness of the same in Mat. 19:4-6," ... Have ye not read, that he which made them at the beginning made them male and female, And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? Wherefore they are no more twain, but one flesh."
- d. Therefore the Divine charge to male and the female was to "Be fruitful, and multiply, and replenish the earth". If this was to be done there must be the uniting of the man and woman in a relationship that the Bible refers to as "one flesh" according to Scriptures. This matter of being "one flesh" is referred to seven times in Bible. Gen. 2:24; Mat. 19:5 & 6; Mk. 10:8 (2); I Cor. 6:16; and Eph. 5:31.
- e. This union God brought about in uniting a man and a woman together in a Christian marriage is a revelation of the union between Christ and His Church; therefore a Christian wedding is worship unto God who created this Divine institution. Eph. 5:29-33

- 1305 f. God’s Law affirms the role of a man and a woman in the family relationship by commanding the children: “Honor thy father and
1306 thy mother: that thy days may be long ...” Ex. 20:12
1307 g. The New Testament reaffirms this marriage relationship between a man and a woman, and of the family in a definite way, as
1308 being a father, a mother and children. Eph. 5:21-6:4 & Col. 3:18-21
1309 h. Therefore, we the Tennessee District Pentecostal Church of God, without reservation define and declare that Christian marriage
1310 is a covenant relationship between a man and a woman, and we reject and condemn all attempts to redefine marriage in any other
1311 terms, as stated in our bylaws.
- 1312 2. OUR POSITION CONCERNING HOMOSEXUALITY
- 1313 a. Webster’s New World Dictionary, copyright, 1968; defines it as: “(1) sexual desire for those of same sex. (2) sexual relations
1314 between individuals of the same sex. Opposed to *heterosexuality*.”
- 1315 b. It is important that we as the Tennessee District Pentecostal Church of God declare our Biblical position on this matter.
1316 Normally we would treat this sin just as we would adultery and fornication. But the importance is based on the fact that its
1317 legalization gives it more influence on the public, the Church world and especially on our children. Because of this we declare
1318 that homosexuality is clearly unbiblical and sinful, regardless of what laws are passed.
- 1319 c. The sin of homosexuality is seen in both in the Old and New Testaments. We find in the Old Testament where God’s judgment
1320 is pronounced. Lev. 20:13 “If a man also lie with mankind, as he lieth with a woman, both of them have committed an
1321 abomination: they shall surely be put to death; their blood shall be upon them.” Lev. 18:22; Judges 19:1-30
- 1322 d. The more common one is Sodom and Gomorrah in Gen. 19:4-25. This judgment of God that came upon them was of such
1323 severity that this particular sin was labeled as sodomite several places in the Bible. In Old Testament: Deut. 23:17 There shall be
1324 no whore of the daughters of Israel, nor a sodomite of the sons of Israel. “The Interpreter’s Dictionary of the Bible”, copyright
1325 1962 gives meaning of sodomite as, “a male person who engages in sexual relations with another male.” I Ki. 14:24; 15:12;
1326 22:46 and II Ki. 23:7 Apostle Peter used it as an illustration I Pet. 2:6, Jude also used it in vs. 7.
- 1327 e. The Apostle Paul seeking to help the Church at Rome to deal with those who had rejected God, tells them in Rom. 1:24
1328 “Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between
1329 themselves: 25, Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator... 26,
1330 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against
1331 nature: 27, And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with
1332 men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. 28, And even
1333 as they did not like to retain God in their knowledge, God gave them over to a reprobate mind...”The sin of homosexuality is
1334 clearly seen of both men and women, and the judgment that is passed upon such.
- 1335 f. The Apostle Paul speaks to the Church at Corinth. The city was a sinful city, like others; but it was noted for their sexual
1336 immorality. The Apostle realized how important it was for the new Christians to understand God’s moral order. And those that
1337 committed such sins would not make it to heaven. I Cor. 6:9 “Know ye not that the unrighteous shall not inherit the kingdom of
1338 God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,
1339 6:10 ... shall inherit the kingdom of God.” Notice the Apostle doesn’t want them to be deceived, regardless how accepted it was
1340 by the world. Joseph Thayer, Greek Lexicon, 19th copyright 1978 states that “effeminate” is, “of a catamite, a male who submits
1341 his body to unnatural lewdness”. Catamite, is a boy used in a form of sodomy. Thayer states meaning of “nor abusers of
1342 themselves with mankind” is, “one who lies with a male as with a female, a sodomite”. It is also used in I Tim. 1:10. A.T.
1343 Robertson, Greek scholar 1931 says, “late compound for sodomites.”
- 1344 g. Such Scriptures Rom. 1:24-28 and I Cor. 6:9-10 not only condemn the more scandalous examples of homosexual behavior, but
1345 they also condemn the more modern-day life styles. That which is proclaimed as a loving and committed relationship.
- 1346 h. Homosexual behavior is a sin because it is contrary to God’s created order for human relationships and the family unit. “Gen.
1347 2:18 And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him. 2:22 And the
1348 rib, which the LORD God had taken from man, made he a woman, and brought her unto the man. 2:24 Therefore shall a man
1349 leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.” The message could not be any
1350 clearer of what God’s order is for a man and a woman.
- 1351 i. Jesus reaffirms this established order that was from the beginning as was stated under (marriage above) Mat. 19:4-6 and Mk.
1352 10:6-9
- 1353 j. As was stated homosexuality is sin; but it is not an unpardonable sin. It is just as other sins, whether fornication, adultery or all
1354 other transgressions of God’s Law. Our only hope is repentance and forgiveness of sin through the blood of Jesus Christ. Which
1355 produces a regenerated heart and transformed and changed life and conduct. I Cor. 6:11 was speaking to those who had been
1356 partakers of such sins stated in vs. 9 and 10. Notice how the Apostle states it, “And such were some of you: but ye are washed,
1357 but ye are sanctified...”
- 1358 k. Therefore, we the Tennessee District Pentecostal Church of God stand opposed to any and all forms of homosexual lifestyles and
1359 behavior. We believe it is directly opposed to God’s Word, and it is sinful.
- 1360 3. OUR POSITION CONCERNING GENDER
- 1361 a. We believe that biological sex at birth is God’s gift and part of God’s glory in creation. The consequences that have come upon
1362 the human race after the fall of man into sin was and is devastating. The disorder, malfunction, evil, brokenness and pain have
1363 corrupted God’s “good” creation. Gen. 3:1-24; Eph. 2:2; Rom. 8:20-21
- 1364 b. We believe that gender identity must be determined by biological sex according to God’s good design and not by one’s self-
1365 perception. Such perception comes from a heart that has not been created anew by Jesus Christ. Jer. 17:9 The heart is deceitful
1366 above all things, and desperately wicked: who can know it? Gen. 6:5; Prov. 14:12 (16:25); Eph. 4:17-18
- 1367 c. We believe that male and female roles are ordained by God, and this being part of His created order. Gen. 2:18, 21-24; I Cor.
1368 11:7-9; Eph. 5:22-33
- 1369 d. Therefore, we believe for a person to seek to live contrary to their birth sex, whether by behavior, medical or surgical therapy is
1370 rebelling against the gift of God. And God’s design He has for the person.
- 1371 e. We also condemn the efforts of a person to change one’s bodily identity, whether it be cross-sex hormone therapy, gender
1372 reassignment surgery, or any other method whereby one seeks to attain this change. That is to bring themselves in line with their
1373 perceived gender identity rather than their biological birth gender identity.

- f. Therefore, we the Tennessee District Pentecostal Church of God believe that a person must respect and remain true to their biological birth gender. And that it is sinful to seek to alter or change this created order of their being.

The pastor in consultation with the board may nominate them or the pastor may have the church nominate them, and their nomination shall become an election when ratified by the church members with a (2/3) two-thirds majority vote at the annual business meeting. They shall serve for (1) one year unless otherwise specified at the time of election. When the office of any trustee shall expire or become vacant for any legal cause, the office shall pass to a successor without formal transfer of any deeds or documents regardless of whether or not such documents specify a successor.

1. Because there have been misunderstandings in local churches as to what makes up the church board, and what the duties of the church board are, the Tennessee District offers the following definition:

The Board shall act in an advisory capacity with the pastor, as Deacons and/or Elders and/or Trustees, in all matters pertaining to the church in its spiritual life and in the ministry of its ordinances. They shall act in the examining of applicants for giving and taking of membership and also in the administration of the discipline of the church.
3. The board shall be subject to the pastor and to the church, and they shall work in harmony with both. Any church board member who does not work in harmony and for the interest of the church shall be removed from their office by the church or by the District Bishop.
4. The duties of the members of the board shall be to serve as ushers, to serve the pastor at times of communion, and to pray for the sick. They shall assist the pastor and church in all the business affairs of the church, all forms of real estate purchases, building programs, and other programs which pertain to church property.
5. A majority present at any meeting of the board shall constitute a quorum. When positions in the church shall become vacant during a term in office, the board may appoint a qualified successor to serve in the position until an election.
6. The board shall have no authority over the pastor, and it cannot discharge the pastor without the consent of the church with a two-thirds (2/3) majority vote. This decision must be made at a business meeting for which five (5) days' notice has been given.
7. In the event the office of pastor shall be vacated for any reason, the board shall serve as a Pulpit Committee. The board shall be empowered to provide for their own chairman from their membership in order to transact business for the church. The chairman will contact the Tennessee District Bishop of the Pentecostal Church of God, and work in harmony with the Bishop in establishing a process of an orderly selection of a new pastor.
8. Any church belonging to the Pentecostal Church of God, Tennessee District, that does not have sufficient trustees within the church, the Tennessee District Board shall become trustees for that church until such time the church has sufficient trustees to operate.

1. In all matters of conflict between church members, the Bible procedure for resolution of conflict shall be as follows: First, let the disagreeing member make an honest attempt to settle the conflict privately. If they are unsuccessful, let the conflict be brought before the church board. Only as a last resort, let the church board bring the matter before the church. Anyone bringing any matter before the church without meeting the former requirements shall be liable to punishment for making trouble. No personal slurring remarks shall be allowed at any business meeting. Anyone found gossiping or injuring another church member or church officer may be brought before the church board for discipline.
 2. The church board is asked to be lenient with anyone who shows a contrite or broken spirit and asks for forgiveness. When one has made restitution for a fault, anyone referring to that fault shall be disciplined for such reference. If the harmony of the church will be preserved and unwholesome discussion by the members of the local body avoided, the District Bishop or the District Presbyter shall be empowered to accept the resignation of a pastor or church official.
 3. Should any conflict arise between the pastor and any member or members of the church, they shall make every possible attempt to settle the conflict privately. However, if serious charges are against the pastor, the disagreeing parties shall file such charges with the District Bishop.
 4. In the event that a serious problem which could jeopardize a pastor or a church arises, the pastor or District Bishop shall not discuss the problem with any minister, but shall present the problem to the District Board.

Any person having a grievance against the district in any way must first meet with the District Bishop and District Board to solve the matter. Any person causing disharmony in the district by word or deed shall be answerable to the District Board.
 6. Members, who change their doctrinal beliefs so that they are in conflict with the church, or who engage in conduct or activities obviously unbecoming to an overcoming Christian, are subject to discipline. Such discipline shall always follow Biblical guidelines, with adequate attempts of restoration being made privately before any public separation from the church is made. In the event the member refuses to be subject to Biblical discipline, the pastor and the board may by a majority vote remove the name of that member from the rolls of the church. All persons filling church positions, including the board shall be subject to removal from their position upon definite action by the pastor in consultation with the board. The Tennessee District Board is empowered to discipline the pastor if a sufficient cause is found to exist.
